1.0 Introduction

Dear Marian Devotees,

I am extremely happy to write this introduction to this book entitled, 'Messages of Our Lady of Kanchikode'. As the Spiritual Director of Rani John I do know her and her family very closely for the past thirteen years. It was on February 22, 1997 that I first went to her house at Kanchikode, Palakkad, Kerala and witnessed many visible miraculous experiences. From then on I went there a number of times and I have witnessed together with others very many mystical experiences of Rani John, a visionary of Our Blessed Mother. I have observed and studied the happenings at Kanchikode for a definite period of time to make sure regarding the genuineness of the same. Having fully convinced of the veracity of the experiences at Kanchikode, I accepted to be the Spiritual Director of Rani John when Our Blessed Mother gave clear indications to it through a message.

Rani John received a miraculous Rosary from Our Blessed Mother when she had Her apparition in the Shrine of Velankanni, Tamil Nadu on November 2, 1996. This miraculous Rosary has special sweet fragrance. From 1996 to 2002 Rani John received 51 messages from Our Lord and Our Lady for the whole world. Some of the major mystical and miraculous visible experiences of Rani John I have witnessed are the following:-

1. I celebrated the Holy Eucharist in her parish the Good Shepherd church at Kanchikode on November 2, 1997. When Rani John received Holy communion from me on her tongue it became visible red living flesh and blood. The Parish Priest of Kanchikode, Rev. Fr. Joseph Pulavelil is an eye witness of it.
2. I have witnessed a number of times Rani John's miraculous mystical experience of receiving the Holy Communion from Jesus Himself.
3. I am an eye witness of Rani John's experience of stigmata a number of times especially during the Marian retreats and other times. Many people have witnessed this event. A few times I was able to take the video of the same.
4. I witnessed the experience of the flow of fragrant oil from the picture of Our Lady of Guadalupe enthroned in her house on January 9, 2000. I was also able to take the video of the same.
5. During moments of Prayer, milk and honey were poured into the palm of Rani John's hand by Our Blessed Mother. Milk and honey are the signs of the maternal care of Our Lady. These experiences took place more than seventy times. I witnessed this experience a number of times.
6. On November 2, 2001, Our Blessed Mother gave her a special message to get the picture of the Virgin Mary painted giving due importance to the Holy Eucharist and the Holy Rosary. The core of the message is that the head of the serpent can be crushed by two divine weapons namely, the devotion to the Holy Eucharist and by the recitation of the Holy Rosary. I got the painting of this picture of Our Lady of Kanchikode completed in the year of the Eucharist on October 9, 2004.
7. The ministry at Kanchikode slowly evolved into a ministry of Marian retreat. I have conducted 36 Marian retreats in the pastoral centre 'Yuvakshetra' of the diocese of

Palakkad. Four Bishops, more than 500 priests, over 1500 religious and over 10,000 lay people have taken part in these Marian retreats. During these retreats, Rani John animated the retreatants on the messages of Our Lady of Kanchikode.

8. During these retreats, while Rani John was at prayer in the chapel before the Blessed Sacrament, she has had a number of times the stigmata experience. These were witnessed by all the retreatants including the Bishop of Satna, Rev. Dr. Mathew Vaniakizhakeel V.C. and many Priests and Sisters.
9. I have written a book entitled 'Panchashathangal' and I have mentioned at length many of my experiences of Our Lady of Kanchikode and the mystical experiences of Rani John. The above book and the video of the stigmata experience and other miraculous experiences at Kanchikode under the title 'Signs from God' are also available.

A deeper study on the 51 messages of Our Lady of Kanchikode enables us to understand the fifteen different titles given to Our Heavenly Mother. These different titles of Mary Our Mother will help us to know her unique role in the Church. The following are her different titles found in these 51 messages.

- i) The Virgin of Revelations
- ii) Mother without sin
- iii) Bride of the Holy Spirit
- iv) Mother of the entire Human race
- v) Mother, the epitome of perfect beauty
- vi) Queen of the Holy Rosary
- vii) Mother, the symbol of Hope
- viii) Mother incarnated as the Queen of the universe
- ix) Mother of the Divine Word
- x) Mother of Adoration
- xi) Mother of the Acts of Reparation
- xii) Mother of Jesus' second coming
- xiii) Heavenly Mother, clad in the sun
- xiv) Mother who helps us to be born in the Spirit
- xv) Mother of the Holy Eucharist

The Holy Father Pope John Paul II promulgated the Luminous mysteries and the teachings on the Eucharist in October 2002. If we study the message of January 1, 2002, we can note that even before the Holy Father promulgated the luminous mysteries and the teachings on the Eucharist in October 2002, there are clear references to these in the messages given to Rani John on January 1, 2002. Pope John Paul II brought out the encyclical on 'Church and the Eucharist' on April 17, 2003. In this he speaks of Our Blessed Mother as the Lady of the

Eucharist. There are clear references to this encyclical in the messages given to Rani John by our Lady on the following dates : June 30, 1997, December 24, 1997, November 2, 2001 and January 1, 2002. In the message given on November 2, 2001 Our Lady is referred as the 'Mother of the Eucharist'.

A detailed study and reflection on the 51 messages make us understand that prayer, penance and reparation are the sum and substance of these messages. The core of these messages consists of five divine weapons in order to attain salvation of souls. They are (1) the Holy Eucharist,(2)the sacrament of confession,(3) the Holy Rosary, (4) Fasting and (5) the Word of God.

Rani John has written a forward to this book explaining her mystical experiences. With this background I request you to reflect and study these 51 Heavenly Messages given from above. It is very clear that the 51 messages are meant for the whole world. I am glad that these messages are translated into English. I thank Fr. Joe Kallupura SDB, the principal of Don Bosco HSS Mannuthy, Prof. Paulson Chalissery, the principal of Don Bosco College, Mannuthy and others who helped in this translation work. May this book 'Messages of Our Lady of Kanchikode' inspire many to become Marian devotees. I request you to pray for the ministry of Our Lady of Kanchikode.

2.0 The Visionary Rani John

1.0 Introduction

Two thousand years ago, God the Son became incarnate to redeem us from our sins, to perfect the divine revelations, and to make His graces and teachings available to everyone in the world until the end of the world through His Church. In order to help us understand and accept the revealed truths, God sometimes uses extraordinary means: especially, signs and messages through the Mother of the Saviour and of the Church. The true signs and messages through Mary never add anything new to the existing teachings of the Church or alter them but help us understand them more deeply and practice them more diligently. The mass conversion following the Marian sign in Guadalupe in the 16th century is a good example. Therefore, we must not ignore the true Marian signs and messages simply because we already have the public revelation but must clearly understand their critical practical importance for each one of us and for the whole Church. God wishes to save everyone and the world from disaster, because He loves us so much, and, therefore, is sending us His precious and urgent messages through our Heavenly Mother.

It has been noted that there are 321 stigmatists in the history of the Church. Sixty two of whom are declared either as saints or blessed by her. The stigmatists are those specially chosen by God and they do have the mystical experience of the passion of Jesus. Today among the visionaries of Our Blessed Mother Rani John of Kanchikode, Palakkad, Kerala is well known as she is also a stigmatist. From 1996 to 2002 she received 4 messages from Our Lord and 47 messages from Our Lady for the whole world.

2.0 Rani John's family

Rani was born on May 2, 1970 at Mannampetta in the diocese of Trissur in the state of Kerala in India. Antony and Annamma were her parents. Rani is the youngest daughter in the family of Panthalookaran. She has six elder sisters. Five of them are leading family life and one is a religious nun. Sr. Philsy Panthalookaran is the nun belonging to the congregation of the Little Servants of Divine Providence. Rani's parents and her dear ones inculcated in her devotion to the Holy Eucharist and Our Blessed Mother. From her younger days onwards she had a number of mystical experiences. Her first mystical experience was on the day of her First Communion on May 15, 1977.

At the age of 15, she joined the convent to become a religious. Remaining in the convent she did her pre degree course. She took science as her main subject for her two year pre degree course. After the pre degree course she was asked to do her nursing course remaining in another convent. During the course of this studies, she had illness including typhoid and poor eye sight. This caused difficulty in continuing her studies. It was then that she was given an opportunity to take part in a retreat. During that retreat, a Priest prayed for her and advised her that she had a very unique and different call from God other than becoming a nun and a nurse. She was also specially advised to offer up all her pains and sufferings to the Lord and to wait patiently for the realization of God's plan for her.

After Rani left the convent, remaining in her home at Mannampetta she offered up all her pains and sufferings to the Lord and waited patiently for the realization of God's special call and plan for her. On October 21, 1992 she got married to John George Palooparambil. John was born on December 27, 1962. His parents were George and Josephine. John too was

the youngest in the family. He has three brothers and a sister, all leading family life. John belongs to the parish of Good shepherd church of the diocese of Palakkad. After her marriage Rani John settled down at Kanchikode, Palakkad. John, her husband is a simple and unassuming person. He is indeed a very devout catholic and a Marian devotee. John and Rani have a daughter named sneha John and she was born on August 7, 1993. At present she is doing her Higher Secondary School studies at Kanchikode. John, Rani and Sneha are deeply spiritual.

After Rani's marriage she had a number of mystical experiences. The advice of the Priest that Rani had a very unique call from God was specially realized on November 2, 1996 when she received the miraculous Rosary from Our Lady at Her shrine in Velankanni, Tamil Nadu. The following extraordinary miraculous mystical experiences of Rani which are explained in the following pages make us realize that God had a special plan for her. In fact God chose Rani John at a particular time in her life to do an extraordinary task for Him, a task which brought with it the heavy cross of suffering. From 1996 to 2002 Rani John received 51 messages from Our Lord and Our Lady for the whole world.

The various miraculous photos that are presented according to the different themes in the following pages also definitely help us to convince that God made use of Rani John and her family as His special instrument to communicate His divine plan for his people. God in His abounding mercy wants us to have a fuller and deeper understanding of His messages through these visible signs of the miraculous photos.

Rev. Fr. Thomas Pazheparambil SDB former Rector and Professor of Chemistry of Sacred Heart College, Tirupattur under the university of Madras has observed about Rani John in his book entitled 'Eucharistic Miracles' on page 51 the following: **"However if you visit her home today you may find her sweeping the house, carrying water, cooking for the family and doing other household jobs. She looks just ordinary. St. Francis de Sales wrote his famous book 'Introduction to the Devout Life'. In it he tells his beloved Philothea: You as a housewife will sanctify yourself by doing your ordinary daily duties for the love of God. St. Francis will be happy to know that in Mrs. Rani John, he has a replica of his Philothea, because so simple and yet so holy is Rani John."** This is very true about her. John as a husband and head of the family gives her all support to follow the footsteps of the Lord. He is very unassuming, humble and prayerful. Their daughter Sneha is a very devout child and lives a life of prayer trusting in God's providence and the Maternal care of Our Blessed Mother. Rani John continues to get personal messages from Our Lord and Our Lady. According to the personal messages that she gets, Rani, her husband John and Sneha John do pray for the sanctification of the people of God particularly Priests and religious.

3.0 Rani John's various Miraculous Experiences

Rani John is not only a gifted visionary but also a person with very special mystical and extraordinary miraculous experiences . Some of her extraordinary miraculous experiences are the following:

- a) Reception of the Miraculous Holy Rosary from Our Lady of Velankanni
- b) Stigmata experiences
- c) Eucharistic Miracles

- d) Miraculous reception of the Holy Communion
- e) Tears of blood were shed from the picture of Jesus placed in her house.
- f) Fragrant oil flowed from the picture of Our Lady of Guadalupe placed on the wall of her house.
- g) Anointing of the sweet fragrance during moments of prayer
- h) Experience of getting milk and honey in the palm of her hand during moments of prayer.
- i) The vision and the message on the picture of Our lady of Kanchikode

It was possible to take the videos and photos of these extraordinary mystical experiences. You can refer to the photo pages that follow this article for a better understanding of the above mentioned extraordinary mystical experiences.

3.1 Reception of the Miraculous Holy Rosary

In 1996 on November 2, Rani John and her family went for a pilgrimage to the shrine of Velankanni in Tamil Nadu. While she was praying in the shrine before the statue of Our Lady of Velankanni, She had the apparition of Our Blessed Mother. Our Lady of Velankanni gave her a miraculous Rosary which has strong unearthly sweet fragrance. This Rosary is preserved in the prayer room of their house at Kanchikode.

Rev. Dr. George Nedungatt S.J. the professor at the Pontifical Oriental Institute, Rome has written a book entitled 'Crucified with Christ for all.' In this book he refers the following in pages 235-236, **"Another living mystic is Rani John of Kanchikode, Palakkad, Kerala, also blessed by periodic stigmata and several apparitions of the Heavenly Mother, who announces Her presence often with a sweet but strong unearthly fragrance... Rani, whose simplicity and sincerity are beyond doubt, says that the fragrance is but a temporary sign by which the Heavenly Mother intends to draw the attention of her children to her constant presence and to her message of love calling for prayer. Rani John's story along with that of Julia Kim of Naju, Korea was reported on the Italian television, after expert scrutiny, on the serial called 'Miracoli' programmed by Rete 4 on 19 May 2002."** Hence it is clear that the anointing of the fragrance is a special sign of the presence of Our Blessed Mother.

3.2 Eucharistic Miracles

Through out the history of the Catholic Church, God has manifested his real presence by performing Eucharistic miracles, particularly in times of apostasy and loss of faith. There have occurred incidents in which the Flesh and Blood of Jesus hidden under the outward appearances of bread and wine become openly visible and perceptible to the human senses of sight, taste, touch and smell.

Rani John had three times the divine experiences of the Eucharistic miracle. When she received the Holy Communion during Holy Mass, the sacred Host became visible red living flesh and blood on her tongue. This miracle took place twice in the Good Shepherd parish church at Kanchikode on October 26, 1997 and on November 2, 1997. On October 26, 1997, the Holy Eucharist was presided over by the Bishop of the diocese of Palakkad. On November 2, 1997, the Holy Mass was celebrated by Rev. Fr. Abraham Kadiyakuzhy, the spiritual Director

of Rani John and he gave her the Holy Communion on her tongue. Rev. Fr. Joseph Pulavelil, the parish priest of Kanchikode was a witness of the two miracles that took place there. The third Eucharistic Miracle took place on February 12, 1998 during a Bible convention at Potta, Chalakudy, Trissur. The main celebrant of that Holy Mass was the Archbishop of the diocese of Trissur and he gave her the communion on her tongue. These three miracles were witnessed by many people including many priests and religious.

3.3 Miraculous reception of the Holy Communion

From 1996 onwards, she had the miraculous experience of receiving the Holy communion from Jesus Himself thirteen times. She could see Jesus appearing to her and giving her Holy Communion on her tongue. Those who were with her at that time could only see the Holy Communion on her tongue during these miraculous experiences. This is to enable us to understand that the Holy Communion is the nectar of the Divine Grace. Many saints have lived only on the Holy Communion for many years. The Holy Eucharist is the gift of our Blessed Mother for us as she is the Mother of the Eucharist.

3.4 Stigmata Experiences

From 1996 onwards Rani John had the stigmata experience twenty five times. During the experience of stigmata, Rani John had the mystical experience of having the vision of the passion of Jesus. At that time the five wounds of Jesus would appear on her body and she too suffers along with Jesus. The pain would last for three to four hours or at times even for a day. These were witnessed by many people, including a Bishop, priests and many religious. The stigmata experiences took place on all Good Fridays to enable us to deeply believe in the reality of the passion of Jesus. The video of this stigmata experience of Rani John is available.

3.5 Tears of Blood

On March 1st and 6th 1997 and on May 1, 1997 from the picture of Jesus enthroned in her house tears of blood were shed. This indicates the symbol of God's love for us sinners. He wants us sinners to repent and convert ourselves. It is very clear from the message given on May 01, 1997.

3.6 Fragrant oil

From the picture of Our Lady of Guadalupe placed on her house tears of fragrant oil flowed on January 9, 2000. Many witnessed this experience and the video of this experience was also taken and it is available. The above experience indicates Our Lady's sorrow because of the heavy weight of the sins of humanity. By shedding her holy tears she is praying for true conversion of her children from a life of sin.

3.7 Flow of Milk and Honey and the anointing of the fragrance

On August 15, 1997, milk flowed from the miraculous Rosary given by our Blessed Virgin. On several occasions during moments of prayer, milk and honey were poured in the palm of Rani's hand. At that time the anointing of the fragrance of the Rosary was experienced by many. These experiences took place more than seventy times. Milk and honey are the signs of the maternal care of our Lady. From November 2, 1996 to December 31, 2003, the anointing of the fragrance of the Rosary was experienced in her house and outside during moments of prayer. This is truly the experience of the special sign of the presence of our Blessed Mother.

3.8 The vision and the message on the Picture of Our Lady of Kanchikode

In the message given to Rani John on November 2, 2001 Our Blessed Mother gave the message that she would crush the head of the serpent. In order to realize it, she requests our cooperation and our prayers by giving us the two divine weapons of the devotion to the Eucharist and the devotion to the Holy Rosary. In the same message Mother Mary asked Rani John to get the picture of Our Lady of Kanchikode painted depicting the importance of the two divine weapons of the Eucharist and the Rosary. This painting of the Picture of Our lady of Kanchikode was completed on October 9, 2004.

4.0 Reflections based on Testimony

I am an eye witness of the miracle of the Holy Communion which became visible red living flesh and blood on her tongue on February 12, 1998 during the Bible convention at Potta, chalakudy and her stigmata experiences . I have also seen the miracle of the sign of the cross imprinted on Rani's forehead during moments of prayer. The anointing of the fragrance, tears of blood shed from the picture of Jesus enthroned in her house, the external signs of milk and honey and other divine signs were also witnessed by me. Rev. Dr. Mathew Vaniakizhake V.C., the Bishop of Satna, Fr. Abraham Kadiyakuzhy, Fr. Devassy Panthaloorkaran, Fr. Joy Thottankara MCBS, Fr. Vincent Ollukkaran, Sr. Lillia Maria Alookaran, Sr. Francitta Pazhukkathara, Raphael Alankarath, Lissy Raphael Alankarath, Bro. Joseph Raphael Alankarath OFM, Nishin Geo, Jose Kavungal, Rani Jose Kavungal, Antin Jose Kavungal, Sr. Mary Gifty Kavungal, Rolson Paul Pulikan, Thomas Chittilappilly, the family of Dr. James Chacko Kayyalaparambil and the members of the families of the sisters of Rani and that of her husband John's brothers and sister are other witnesses of the same. Many priests and sisters are also witnesses of the above experiences. Having had a first hand experience of the above miraculous mystical experiences of Rani John, I have been closely observing, studying and reflecting on these experiences for the past thirteen years. **Rev. Msgr. C.J. Varkey the founder of the Missionary Sisters of Mary Immaculate concluded that the visionary Rani John is a modern mystic.** After having studied critically and reflected on the messages given to her I am certain that all her experiences are genuine and she is modern mystic. Having studied in detail the 51 messages, I found nothing in conflict with the teachings and traditions of the Catholic Church. The Church today is observing and studying the 51 messages she received and the various visible mystical experiences.

I have come to know from the messages of Our Lady of Kanchikode and from the personal messages the visionary Rani John has received that the ministry of Kanchikode is also primarily to pray for the sanctification of priests and religious. This is done specially by silently enduring all the sufferings the Lord allows in their life. In the history of the church, it is a fact that the visionaries of the virgin Mary and mystics have had a lot of misunderstandings and sufferings on account of the disbelief about the mystical experiences on the part of some rationalists and critics. As is the case of many mystics through out history, Rani and her husband John had to undergo the heavy cross of suffering. In the midst of the heavy cross of sufferings such as physical pain, sicknesses, tensions, misunderstandings, negative reactions of the disbelief of the rationalists etc, Rani John and her family grew deeper in faith experiencing true spiritual joy.

From the fruits we come to know the tree. Rani, her husband John and Sneha live a very simple life. Their prayer life and their willingness to adhere to God's will in all their difficult situations and their serenity of life are clear signs of the fruits of the Holy Spirit in their life

and are indicators of their true spirituality. It is said that suffering is the best form of prayer. It is also our faith that God gives sufferings to those whom He loves specially. I have also known personally from them that they are happy to take up daily any suffering cheerfully with an open heart for the sake of saving souls. Every day they pray that they may have a share of sufferings to offer up to the Lord for the salvation of souls. Indeed true Marian devotion consists in offering everything to Jesus through the Immaculate Heart of Mary. It is an undeniable truth that the above mentioned miraculous signs and experiences have led people to prayer, true repentance and conversion to a better life. This is also a proof of the genuineness of the above miraculous signs and divine experiences.

5.0 Messages of Our Lady of Kanchikode

Jesus and Our Blessed Mother gave 51 messages to Rani John. She was able to write the messages either by hearing the voice of Jesus and Mary or by seeing the messages of Jesus and Mary in visions. When Rani John was not well she was not able to write the three messages given by Our Lady. At that time Our Lady held the right hand of Rani John and made her write these three messages. These three messages were given by Our Lady on the following dates: May 31, 1998, December 98, 1999 and on June 10, 2000. The core of the 51 messages is to attain salvation of souls through prayer, penance and reparation. The Holy Eucharist, the sacrament of Confession, Holy Rosary, Fasting and the Word of God are the five divine weapons to attain salvation. A deep study and reflection on the 51 messages that Rani John received would enable us to be better devotees of Jesus and Mary.

6.0 People flock to Our Lady of Kanchikode

For the past 13 years, every wednesday prayer services are conducted in the prayer room of Our Lady of Kanchikode . Many from the different parts of Kerala , other States of India and abroad come to this Marian centre to pray. On all important feast days of Our Blessed Mother and on the anniversary of the reception of the miraculous Rosary on November 2, special prayer services are conducted in this centre. A big crowd turns up for prayer on these days. For the past five years on November 2, the anniversary of the reception of the miraculous Rosary, the Bishop of the diocese of Palakkad gave special permission to celebrate the Holy Eucharist in this Marian prayer centre.

7.0 Conclusion

The above brief introduction on the visionary with the various details enables us to understand better the context and the messages. The Visionary Rani John's description of her mystical experiences also help us to understand more clearly the messages and the divine experiences. I congratulate Rev. Fr. Abraham Kadiyakuzhy the Rector of At. Antony's Pilgrim Centre, Manthara, Ponkunnam and the spiritual Director of Rani John in publishing this book. I sincerely thank Prof. Paulson Chalissery, the Principal of Don Bosco College, Mannuthy for cooperating with me in translating the messages into English . I also specially thank Bobby Jose and Liza Powells for their unique contribution in the work of translation. May God bless them for their patient work in making theses messages available to the English speaking world. May these Messages of Our Lady of Kanchikode reach every nook and corner of the world through this book.

FORWARD

BY THE VISIONARY RANI JOHN

As each one is the apple of God's eye, God has a special plan for each of us in this world. Though I am unworthy the good Lord chose me to be close to Him and to be His agent of love and peace. He moulded me to be His instrument by making me also share in His sufferings. Like everyone I too had my doubts, struggles, sorrows, fears, anxieties, misunderstandings, physical pains and sufferings. I realized that all these were given for a specific mission. This mission was specially realized on November 2, 1996 when I received from Our Lady the miraculous Rosary at the shrine of Our Lady of Velankanni, Tamil Nadu. On that day I received the first message from Our Blessed Mother for the whole world. From November 2, 1996 to August 22, 2002 I have received 4 messages from Our Blessed Lord and 47 messages from Our Lady for the whole world. These 51 messages were given to me in the local language Malayalam.

In the message, Our Lady gave on January 1, 2002, She very clearly states that these messages are not for the state of Kerala alone but for the entire world. I am very grateful to Rev. Fr. Abraham Kadiyakuzhy, the Rector of St. Antony's Pilgrim Church Manthara, Ponkunnam, who is my Spiritual Director for taking up this venture of publishing this book, 'Messages of Our Lady of Kanchikode'. I also thank Rev. Fr. Joe Kallupura SDB, the Principal of Don Bosco HSS. Mannuthy, Trissur and Prof. Paulson Chalissery, Principal of Don Bosco College Mannuthy and others for the patient work of translating the messages into English. May God bless them for enabling to reach these messages to every nook and corner of the world.

I was requested to write a forward to this book 'Messages of Our Lady of Kanchikode'. I am happy to do it for the greater glory of God. I belong to the parish of Mannampetta of the archdiocese of Trissur. My Parents, Anthony and Annamma were very devout Catholics. I am the youngest daughter in my family. As I am the youngest I am affectionately called Kochu Rani. This means little Rani. My parents and my six elder sisters and dear ones of my Panthaloorkaran family loved me specially as I am the youngest and they inculcated in me love for prayer life. My mother was indeed a Marian devotee. I remember her telling us one of her divine and miraculous experiences. She had skin problem and no doctor was able to heal her. At the end she prayed fervently to Our Blessed Mother. One night Our Lady appeared to her and told her the method of preparing a medicine using the leaves of different plants. She did as was told and she was fully healed of her sickness. My mother taught me to have great devotion to Jesus and Mary. My father was very strict with us his children in making sure that we get up in time to recite the morning prayers. In the evening too he made sure that we gathered together in the prayer room to pray the Rosary on our knees. He insisted with us to take part in the daily celebration of the Holy Mass. He was an inspiration for us as he daily attended the Eucharist. Thus he made sure that we are given the value of living in communion with the Church. My parents have gone to eternal reward. I am so grateful to them for the early formation they gave me.

My mother taught me to say the following ejaculatory prayer: "Jesus, I love you." From 1973 onwards, when I was three years old my mother encouraged me to say this ejaculatory prayer as often as possible. In order to prepare myself for my first Holy Communion, I took a resolution to say this ejaculatory prayer daily for one year. I succeeded

in doing that in preparation for my first Holy Communion. I made my first Holy Communion at the age of seven on May 15, 1977. When I received Jesus for the first time in my heart, I heard His voice resounding, 'I too love you.' This was one of my first mystical experiences.

After completing my High school studies, at the age of 15, I joined the convent to become a religious. I completed the two year pre degree course remaining in the convent. After that I was asked to do course in general nursing. During my general nursing course I had many sickness including typhoid and poor eye sight. When I read books related to my nursing course I was not able to read. But I had no problem in reading the Bible and other spiritual books. No treatment improved the situation. Hence the Sister Superior of the convent sent me for a retreat. On the third night I had a vision. In the vision I saw a cross and under that I saw the following symbol of an into mark over the letter N. On the next day during the praise and worship session, the priest who was leading the session saw the vision of the same symbol above my head. He called me and asked me if I had the seen the same vision before. I explained to him everything what had happened. He confirmed saying that I am neither called to be a nun nor a nurse. He told me that God had another definite and unique plan for me. For that I was told to offer up all my sufferings to the Lord for the realization of His plan for me. Then I found very difficult to accept that advice given to me. After the retreat I returned to the convent and I told every thing to the sisters there. They were also not happy to send me home. They told me to remain in the office and help them out as I was not able to continue my studies. It is then that my father became seriously ill and I left the convent and went home to take special care of him. He did not improve his situation and he passed away on August 8, 1991. I wanted to remain single and live a life of prayer. I was guided by my parents especially by my mother and others that I am called to live a family life and do God's plan.

I got married to John Palooparambil on October 21, 1992. I am so grateful to God for having blessed me with a very loving husband. He is a very humble and holy person. Indeed he is a Marian devotee. After my marriage I was quite often sick with the problem of asthma. In the midst of sufferings both of us would pray that we might have the strength to suffer and to cooperate with Him to realize His plans in our regard. A baby was born to us on August 7, 1993. As I was carrying, I was not well and I had to take heavy medication. The Doctor informed that heavy medication could cause harm for the child in my womb. We did pray interceding Our Blessed Mother. God did hear our prayers and a healthy baby was born to us. We believe that Sneha John, our child is a miracle child, the fruit of our prayers.

One of the first signs we received was on October 8, 1996. As I was weeding the garden in the courtyard, I felt giddy. My husband then led me to the room. Then Jesus spoke to my husband the following: "Listen to me. Listen to me. Listen to me." Then Jesus gave the following messages: Isaiah 59:1,40:31,43:1-5,49:7-16,42:1, Tobit 12:6 Ecclesiastes 6:1-12 and Romans 5:5. Then Jesus continued to speak to John my husband; " You should get ready to preach me. God's love is flowing into your heart in the form of the Holy Spirit. That Spirit you have to spread in the world. Then the following quoting was given as message: Ecclesiastes 6:1-2. Jesus again spoke to John the following: "The people who are thinking that they are better than others must be told the following: Ecclesiastes 6:1-2. My son John, I love you. You are mine. My beloved John, Don't be afraid." Then John replied, " I don't know anything. What shall I do?" Jesus replied, " My beloved son, I am the Way, the Truth and the Light.

The message that you have to preach I will give you at that time. First you pray fervently..

Through prayers you will get strength and all that you need.. This is the first step. Get ready to preach me.” This mystical experience of the voice of Jesus was also heard by my husband John. After hearing the voice of the Lord, I felt thirsty and I asked my husband for some water. When he came with water he saw me drinking water from my hand which was given by Jesus Himself. The experience of getting water from Jesus was told to my dear ones. But they did not believe it. In the evening as we were all together reciting the Rosary, Jesus again gave us water and our prayer room was filled with water. Thus those who disbelieved the previous miraculous event had the opportunity to have a direct experience of the water given by Jesus. We did not make known these experiences to others as Jesus gave the message to keep it for ourselves. Similarly a number of mystical experiences were given, before the reception of the miraculous Rosary on November 2 1996. These experiences were revealed later only when Jesus permitted me to do it.

On November 2, 1996 as a family we reached the Shrine of Velankanni, Tamil Nadu. We participated in the Holy Mass at 12.30p.m. in the shrine. In the afternoon we were praying kneeling close to the main Altar of Our Lady of Velankanni. At 1.30 p.m. I had the most extraordinary mystical experience of the apparition of our Lady of Velankanni. I saw Her coming close to me, On her one hand she had the Child Jesus and on the other a long black Rosary. She bent down and gave me the miraculous Rosary in my right hand. I felt the heavy weight of the Rosary in my hand.

I also felt an intense sweet unearthly fragrance for the Rosary. As I was not aware of the surroundings, my husband John came and enquired what had happened to me. I explained to him all that happened. As directed by Our Lady we bought a statue of Our Lady of Velankanni enclosed in a glass case. Our Lady asked me to keep the miraculous Rosary inside this glass case. Then we returned home at Kanchikode, According to the directive of Our Lady we prayerfully placed the statue and the Rosary on a pedestal in the prayer room of our house. We then felt the intense fragrance of this Rosary. This fragrance could be felt even at one and half kilometer distance from our home. Having felt this sweet unearthly fragrance people started flocking to our house. We narrated our experience and people began to pray before the Holy Rosary. Later on Our Lady revealed to me that the heavy weight of the Rosary was due to the weight of the sins of humanity. Its colour black also depicted the colour of sin. Our Lady requested to recite the Rosary to free the world from sins. The sweet unearthly fragrance is the sign of the special presence of Our Lady in our midst. After this mystical experience a number of divine visible experiences were given by Jesus and His Blessed Mother to me and my family.

I had twenty five times the stigmata experience. During these stigmata experience I was not aware of the surrounding as I was undergoing a mystical experience. At that time I saw the vision of the passion of Jesus. What I saw in the vision regarding the sufferings of Jesus I too experienced the same sufferings in my body. For example, when I saw the scourging of Jesus in the vision I too had the mystical experience of the scourging in my body. I too had the five wounds of Jesus visible in my body and I suffered along with Jesus. This experience is given as a sign for the people of God to believe in the reality of the passion of Jesus. Jesus wants us to have a share in His sufferings in order to help Jesus to make the conversion of sinners a reality.

I have had the miraculous experience of receiving the Holy Communion from Jesus Himself thirteen times. The Holy communion became red living flesh and blood on my tongue

on three different occasions. This occurred on October 26, 1997. November 2, 1997 and on February 12, 1998. When this experience took place I was feeling as if a ball of fire was on my tongue. Many saints have referred Holy Eucharist to a ball of fire. The main reason for this Eucharistic Miracle is to enable us to believe in the real presence of Jesus in the Eucharist. Reading the message Jesus gave on October 26, 1997 enable us to understand the above truth. We also need to keep in mind that the Holy Eucharist is the Power House of His Grace for us.

On August 15, 1998, about two liters of milk had flown from the miraculous Rosary. More than seventy times milk and honey were given into the palm of my hands by Our Lady. This experience also took place at Assisi Convent at Kanchikode. Milk and honey are the signs of the maternal loving care of Our Lady.

I have received 51 messages from Our Blessed Lord and from Our Lady. One may wonder how these messages are given. This too is a mystical experience. Certain messages are written on hearing the messages from Our Lord and Our Lady. Some other messages are written when I see the messages as in a vision. At other times, Our Lady held my right hand and She made me write the messages. When I wrote the messages, I did not know what I was writing. Later after having read through the messages only I was aware of the content of the messages.

There are personal messages that I received from Jesus and Mary. Some times names of persons, places etc are revealed and prayers are requested for them specially. Certain prayers are also revealed and requests these prayers to be said for special intentions. These messages are normally given during moments of prayer. Certain penances, sufferings are at times requested to offer up for the sanctification of the people of God.

I would like to mention the names of some of the persons who have witnessed the divine signs of God here at Kanchikode. Rev. Dr. Mathew Vaniakizhakel V.C., the Bishop of Satna, Rev. Fr. Abraham Kadiyakuzhy, my Spiritual Director, Fr. Devassy Panthalookaran, Fr. Joy Thottankara MCBS, Fr. Vincent Ollukkaran, Fr. Joe Kallupura SDB, Sr. Lillia Maria Alookaran, Sr. Francitta Pazhukkathara, John, my husband, Sneha, my daughter, Rolson Paul Pulikan, my nephew, Thomas Chittilappily, the family of Raphael Alankarath, the family of Jose Kavungal, the family of Dr. James Kayyalaparambil, the members of the families of my sisters, the members of the families of my husband's brothers and sister, and a number of families. Many Priests and good number of Religious sisters have also witnessed the divine signs. From the family of Raphael Alankarath, Shotin Raphael, the only son after having had very many deep rooted experiences of Our Lady of Kanchikode was inspired to join religious life at the age of 28 in 2004. He is Bro. Joseph Raphael belonging to the order of capuchins. Now he is preparing himself for his theological studies. From the family of Jose Kavungal, Chinnu Jose, the only daughter after having had very many deep rooted divine experiences of Our Lady of Kanchikode was inspired to join the convent in 2004. She is Sr. Mary Gifty Kavungal belonging to the congregation of the Little Servants of Divine Providence. She is now pursuing her MBBS studies. There are others also who were inspired to become priests after having had divine experiences here in this Marian centre. Rev. Fr. Devassy Paul S.J. is one of them and he was ordained a priest on January 06, 2007.

Many people after having read the messages of Our Lady of Kanchikode have become more devout Catholics. Many after having come and prayed in this Marian centre have reported very many miraculous healings and experiences. Our Lady in a message on November 2 2001 gave the vision of the Picture of Our Lady of Kanchikode to be painted. This picture of Our

Lady of Kanchikode depicts the two divine weapons given to us to fight against the enemy the devil namely the devotion to the Eucharist and the devotion to the Holy Rosary. From the messages of Our Lady of Kanchikode it is clear that she has not given anything new. She repeats all that Jesus has told us. She always wants her children to love the Holy Church the mystical body of Christ. Our lady expressed her deep sorrow in her messages when many abandoned the Church. Hence She exhorts all to remain with the Church always. May the messages of Our Lady of Kanchikode enable us to be like St. John Bosco, ardent lover of the Holy Eucharist and Our Blessed Mother.

The messages given by Jesus and Our Lady of Kanchikode through Rani John

I 02 November 1996 : The Message given by Our Lady when Rani John received the Miraculous Rosary from Our Blessed Mother at the Shrine of Our Lady of Velankanni on 02 November 1996 on All Souls Day.

“Praise the Lord! I will give thanks to the Lord with my whole heart, in the company of the upright, in the congregation. Great are the works of the Lord, studied by all who have pleasure in them. Full of honour and majesty is his work and his righteousness endures forever. He has caused his wonderful works to be remembered; the Lord is gracious and merciful.” [Psalm 111: 1-4]

II 08 December 1996 : Message given by Our Lady on the Feast of the Immaculate Conception.

I am your loving mother, the mother who has reflected the image of Jesus, the embodiment of love! The most Holy Trinity by its mysterious disposition has raised me to the zenith of Glory. My children, you should be cleansed by the Precious Blood of Jesus, my Son, from all the stains of sin. I am much grieved thinking of my children who are enslaved by Lucifer, the enemy of the world. Your loving Immaculate Mother is by your side. Pray ardently for the clergy who are disloyal to my Son, Jesus, and the Church.

My Son and I are deeply pained thinking about the children who, instead of going closer to Jesus, the embodiment of peace and love, go after hatred, selfishness and corruption, and turn into unbelievers and vain people in a world filled with darkness.

Prepare yourselves from now on to reach my message to every nook and corner of the world and to receive the Lord our God. Try not to let yourself be deceived. Or else, when the whole world seeks peace and security, inexplicable miseries and mishaps will befall you. My dear daughter, the mission I have entrusted to you is small; but it is one through which many will be saved. Wounds will be inflicted on you by unbelievers but let not you or your family falter. Lead those who come here as I direct you – I am the Immaculate Mother.

III 01 January 1997 : Message given by Our Lady on the Feast of the Mother God.

I am your merciful mother. My motherly mission is to give you Jesus, the symbol of our Heavenly Father’s invaluable love towards humanity. I have come to help you in overpowering the moments of difficulties and tests. My children, pray that the divine light may be received in its fullness by priests and religious since they become victims of the machinations of the devil. Meditate deeply on the divine mysteries of His Majesty and raise yourself and others to a life filled with the glory of the Resurrected Christ.

My children, I am the beginning of a new era. Disunity in the church is gone too far. The schisms that drag the children of the church along wrong paths, the unhealthy competition and quarrels with the Pope and the Hierarchy are wicked satanic schemes that threaten the spiritual unity of the church. Pray that the attempts of Satan to draw the religious down the paths of sin and evil are defeated. My children, Satan’s plan is to draw numerous individuals

away from their love for me - a love which has created in them the desire to lead a life of goodness and holiness filled with the love of God. This is the beginning of a new era – an era of brotherhood and peace and ahead are days of preparation. Pray and prepare yourselves because sinfulness has reached its peak. So, children, my message is all the more relevant these days. Let each of you be consecrated to my Immaculate Heart. Do not let your courage fail but proceed with a dedicated heart. I am there with you showering my motherly love! Pray incessantly. Let the devotion to the Rosary be spread throughout the world!

IV 02 February 1997 : Message given by Our Lady on the feast of the Presentation of the Lord.

My children, this is the day when the loving mystery of Divine Motherhood has been established – the day child Jesus, the Son of God has been presented to God, the precious moment when, the divine mystery was revealed in the presence of my husband Joseph and me. Simeon, filled with the Holy Spirit, prophesied about the infant and he also stated that my heart would be pierced by a sword. His words were fulfilled in the fullness of time. But my children, the swords gifted by the present world, the insults hurled by the sons of the church become unbearable wounds in my heart. But still, as my Son has honoured me as the mother of the world, I have come to save the world despite the suffering. My heart is repeatedly being wounded when I see my sons and daughters living not in adherence to the Divine Will. This is caused by an inner void. The church is moving towards darkness. My children pray specially for the religious. I dedicate each of my children to the glory of the Father, the Son and the Holy Spirit as I had done with my child Jesus in accordance with the Law of Moses. Permit me to guide and control your spiritual life as if you were a little child. That alone will be sufficient, my children. I shall lead you to salvation through my Immaculate Heart.

V 11 February 1997 : Message given by Our Lady on the Feast of Our Lady of Lourdes.

My children the world today is a limitless heap of sin. Wherever you look, you see luxury and sins against chastity on the increase. My enemy is more alert now than ever before to defile the purity of mind and infuse pride in the heart. Even though the gospel is being preached, the seeds that bear fruit are rare. In order to show the paths of prayer, reparation and repentance that man must follow, I manifest myself in many befitting places and through suitable individuals and deliver messages. However, many children hesitate to wash and purify themselves in the spring shown by me – the living spring that flows from the pierced Heart of my Son, unceasingly and never drying up. My children, bring those who are leading a sinful life to this spring of life. Live in submission and love. Children, the Rosary is my favourite prayer. When you recite the rosary, invite me so that I too may join you in prayer. I'll let the beads of the Rosary move through my fingers – then you will become children praying along with your Heavenly Mother. And then you will be empowered to combat the fearful battle against Satan and his evil army. It is the strongest weapon against this battle. When the Rosary is recited, the heavenly beings, along with the Holy Trinity, rejoice. You are protected all around and forts are created for you.

VI 24 March 1997 : Message given by Our Lady on the eve of the Feast of the Annunciation.

My children, though 1997 has been declared 'The Year of Mercy', Mercy is not meant just for a year. You must pray that God prolongs the period of mercy, because the world contains more sinners than would repent within this given period. Pray specially for the consecrated souls because Lucifer has challenged my Divine Son. He says that if he is able to

ensnare the souls of the consecrated first, then it is very easy to ensnare the souls of laymen. So children, pray, pray intensely. Pray the rosary on your knees. In a complete Rosary there are 153 Hail Marys. When you say the Rosary and pray for the repentance of sinners, heaven rejoices and I intercede for you. Pray that all human beings break free from the desires of the flesh and worldliness and come to Godliness. You will witness great earthquakes and severe disasters. Put on the weapons of prayer and the Word of God. Satan has come into your midst in great wrath. Pray for mercy so that you may be saved from his grip and from the wrath of God. It is man who brings evil on himself. You cannot confront it either with unsheathed swords or with cavalry. Do not be anxious or frightened hearing this; instead, pray for mercy.

VII 30 March 1997 : Message given by Our Lady on Easter Day.

My children this incident has been commemorated for centuries as a reminder for mankind. But how many are there in the present world who walk in the path of purity and in the light of the Resurrection? Poor children who give importance only to worldliness and pleasures! My children, walk along with me in the path of prayer. Only through prayer can we enter the new era awaiting the world. My daughter, I yearn to fill the children, who come to me, with comfort and the grace of God. In the vast arid earth, the Word of Jesus is the dewdrop that soothes the life of those human beings who burn with the remorse of sin. There are many children in the church who, owing to their monotony and idleness, are like plants withered and dried up. My daughter, why don't they remember that today is the day of the great Resurrection which will bring cool showers to their parched hearts? Place those children in my Immaculate Heart and pray that they experience the warmth of new life in Jesus.

VIII 1 May 1997 : The Message Given by Jesus when the image of Jesus enthroned in the house of Rani John shed tears of Blood on the feast of St. Joseph, the worker.

My children, my love for you is unlimited and unconditional, but many of my children, like you, are deeply immersed in the mire of dirt, bloodstained with sin. You have to pray for their sake along with fasting and penance. The blood you have seen flowing from my mouth and eyes today is the symbol that my Sacred Heart beats for them dearly. [Joel 2:12-13]

IX 06 June 1997 : Message given by Jesus on the Feast of the Sacred Heart of Jesus. (John 11: 5-10]

Showing the Sacred Heart of Jesus: "My children this aching Heart has many hidden mysteries. My daughter, when I take upon myself the pains of the sorrowful mysteries of this world, my Heart is pierced. My children pray with hearts on fire. The instances where the Holy Eucharist is insulted are on the increase. My children, understand the pain of my Heart! Can I expect a life full of gratitude from the children of this world? My daughter, look at my Heart. Immerse the sinners of the world in the merciful waters flowing from this Heart. Receive graces from this sea of light. Disregard completely false prophecies. Pray incessantly and yearningly for the gift of the Holy Spirit, so that no one may mislead another. False prophets, and those who have the gift of tongues, have come

Photo of the image of Jesus shedding tears of blood

to mislead you. Do not believe them. I will never desert you if you take shelter in my Sacred Heart. Be certain of this my children. Sins multiply hundredfold. Continuous and unceasing prayer is hard to be found in the world. My children fear not if the world hates you. My mother asks me to gift you with today's life and I will give it to you. Take care that darkness does not overpower you. Here is My Heart open for you. Pray for those sinful children who question the purity of my Immaculate Mother. Womanhood is turned into a slaughter house. My children, pray for them. My mother – who is your mother too – is much wounded. Don't you hear her cry?"

X 30 June 1997 : Message given by Our Lady on the feast of the first Martyrs of Rome.

Standing near the Sacred Heart of Jesus from which flows bright radiant rays, Mother says, I am the Mother of the most Holy Eucharist. My children, why do you hesitate to take shelter in my Holy Son Jesus, who showers hope even in hearts filled with despair ? Receive graces from this sea of light and make pure your sinful conscience. My Son and I yearn to see you sanctified before God our Father! Give up enmity and strengthen yourselves in patience. Do you see or remember the unbearable sight of the Holy Heart pierced for the love of humanity. My children, do not sin! **Love everyone with a pure heart!**

XI 11 July 1997: Message given by Our Lady on the feast of St. Benedict.

My children, only the experienced can comprehend experiences. For those who reject my Immaculate Heart the light emanating from my Immaculate Heart will always be darkness. Do you love Jesus? If so, you have to love the cross too. Love gained through suffering is firm and unchangeable and that is truly the love of Christ.

Deuteronomy 30:11–14, Esther 10:9, Titus 2:11-15, Ephesians 2:10-17, Philippians 2:15-17. Can the stars of the sky and the grains of sand on the earth be counted by men ? Then why is it that man, a slave of the earth, goes about so proudly? **My Son knows only to love. Can you accept and cherish that love?** I Peter 3: 8-17

Think about it my children. Are you all persevering disciples of Jesus? **Or will you deny Jesus in a way worse than Peter did? Never be like whitened sepulchres. Is there anyone among you who could say in any circumstance, 'Fear not, I am with you'? "Here I am."**

Jesus, who has told you 'Fear not' from the very beginning, says now, "Here I am. I tell you, do not be afraid."

XII 15 August 1997 : Message given by Our Lady on the Feast of the Assumption.

My child, I am using you and your family members as chosen instruments of mine because this is the time when at least some of my children have to be saved. God, our Father, has through my presence, entrusted you with certain duties for a short span of time. Everything is being fulfilled in the fullness of time. The sign of my maternal presence is manifested here also, as are the apparitions in various parts of the world. But many children have found these apparitions incredible and unbelievable. Many miracles taking place by my presence are being questioned by human intelligence. Those who seek only the visible signs manifested in this house are not true believers! For more than nine months signs were shown through me. Now repentance shall be attained through faith, prayer and through my intercession. Repentance shall be the only sign. Hold fast to the weapon of the Rosary. The Rosary is the weapon to fight against Satan. Let all children pray fervently. Nothing is stronger than prayer. The fragrance which has caused doubts in many, has also made many believe. However, that

fragrance can hence be experienced only in some moments of anointing of the Spirit. The milk I have made to flow here today will be the last but enduring sign that I have given. There will be lots of hostilities and sorrows. Even authorities will object. You will be haunted by despair. But never withdraw. As it has been prophesied by certain virtuous people inspired by the Holy Spirit, the time has come for a change in the mode of ministry. Now prayer alone is needed. Those who come to repentance through prayer will rejoice in heaven with me. Do not be afraid children. The Lord is with you!

My children, I am the mother assumed into heaven. By the grace of God I abide in heaven as the forerunner of the human race. How pained you are when questioned by others! In this troubled atmosphere, when you are called by the Lord, **my enemy, the devil, injects fatal venom into human hearts and thereby many drift into doubts and lives of sin. Thus he thinks that he rules this world. Children, I tell you, Do not fear, God is with you. My dear children, who face dangers, the time will come when truth is revealed along with the triumph of the Immaculate Heart. I am at work now, not for recognition but for the redemption of humanity.** I thank the Father on behalf of you and your family who have cooperated with me to achieve the success given by the love of Jesus. I am specially thankful to you since you have dedicated everything to my Immaculate Heart. I am happy thinking about the days when you lived in the spirit of true dedication. – you have borne everything in perfect subjugation to me! **The traps made by Satan, my enemy, to ensnare this world are terrible.** Those who are trapped by him will have to experience temporary happiness and eternal disappointment. Children, offer completely every Eucharistic Sacrifice and subordinate yourselves to the Divine Will. Do not earn damnation. There are many children in this world, who do not understand or experience the happiness of motherly love and there are those who speak evil and insult me. Children, pray and prepare that the limitless mercy may flow from Jesus and be received by you. Through your good life become worthy to experience the heavenly joys along with me and the heavenly beings.

XIII 31 August 1997 : Message given by Our Lady on the feast of St. Raymond Nonn.

Children, it is time you went down on your knees and prayed specially for mercy. Do as much reparation and penance as you can and plead for mercy. The Lord's glory will work only through a life of humility and subordination. Pray intensely and – immerse yourselves in the eight day observances in preparation for the feast of my Birth.

In how many thousands has the victory of my Immaculate Heart to be achieved, so that my children on earth will experience the great wonder of love? I am the Mother of adoration and acts of reparation. My children, pray for the Pope, the shepherd of the Church, and for the areas of his apostolate. The church is much out of harmony. Pray that the children of the church prepare with me to be with Jesus in the hour of suffering.

XIV 8 September 1997 : Message given by Our Lady on the Feast of the Nativity of the Virgin Mary.

This is the day of commemoration of my birth as an ordinary human being, as it was decided from the beginning of time for the Word to be made flesh. At the moment of my conception I was filled with the Holy Spirit and made immaculate. That was only the beginning of the great work of redemption. I was being groomed for the work of redemption, which was prophesied and long awaited by humanity for many centuries, to be realized in history. I was born to give birth to Jesus who is the Saviour and leader of the world. My children,

these are not to be considered merely as historic events. The time has come for sin to admit defeat. All creatures have to get ready to attain perfect renewal through the defeat of the wicked. The victims of sin and hatred are my children. My children, you are all living in these venomous days of the storm. Men are retreating more and more from God. The hearts filled with selfishness and hatred are withered and dry. But, my children, my motherly heart throbs on your behalf. The loving redemptive plan entrusted to me by our Heavenly Father can be fulfilled only through each of you. You will witness a new birth when the human race returns completely to redemption. Children, I want to save each of my children as Jesus desires. For that, you should be with this mother who has consented to be the handmaid of the Lord. Travel along these paths with me. Seek my help to give you light at the time of utter darkness. All of you should respond 'Yes' to the Divine Will. Never be misled from your path because of vain curiosity aroused by the devil. I hear Satan chanting songs of victory in the present condition of the world. Prepare to dethrone him. Children, purity, love, humility and modesty should be reflected in you. The Lord acts through the simple and the weak. Children, I see sorrows, wounds, insults, mental agonies and moments of suppression in all your lives. It is because you give priority to the ways of Satan. Seek shelter in Jesus, the source of hope and greatness. You should be aware of the disunity prevalent in the church. It is a period when the Pope and other shepherds should proceed in unity. My children, it has reached a gory situation where a painful purgation has to take effect. The divisive thoughts of the intellectuals question the very unity of the church. All these accelerate the shadows of pain on my heart and that of my Infant Jesus. Children I invite you to the lap of your mother. Learn simplicity, honesty, loyalty, calmness, humility, obedience and silence from me. My children, come quickly to the cradle of this Heavenly Mother. Offer prayers and a life of devotion and simplicity. Though a handmaid, and yet, crowned queen of heaven and earth, I bless you with immense joy and happiness.

XV 14 September 1997 : Message given by Our Lady on the feast of the Exaltation of the Cross.

My children the human race has been redeemed and is still experiencing redemption in the crucified Jesus, who is stupid to the wise and an obstacle to those who take pride in the intellect. But I am greatly pained when I see the unbearable burden placed by the children of today on the cross carried on His Sacred Shoulders. My children, the crucified Jesus raised on the cross for the redemption of his children, is your God. The human race is surfeit with the evil tendencies of violence and darkness. No one thinks of the glory of the Cross. Pray for everyone so that the dewdrops of divine mercy flow into human hearts and they receive the grace of repentance.

XVI 15 September 1997: Message given by Our Lady on the Feast of Our Lady of Dolours.

My children, when baby Jesus was offered at the temple, the aged Simeon prophesied – a sword will pierce your heart. And following my Son from the first day of his life to the death on the cross, my heart has been pierced and into it has been brought the children of this world. My children, today I am a deeply sorrowing mother. I see a cruel heap of destruction in this world. My motherly heart is pained and wounded when I see the sinfulness of the human hearts filled with selfishness and vanity. The helpless cries emanating from the bloodshed of innocent babes, the destruction of family ties, the thought of rising to the summit of worldliness, the children who shower worldly love in ways that are Satanic – my heart

gets pierced when I see all these. You can comprehend the depth of my maternal sorrow only when you enter into the mystery of the deep rejection of this sorrowful mother who has become your mother at the foot of the Cross, on which my Son has sacrificed His life in obedience to the Divine Will of the Father, for your redemption. My children I am the Mother of Sorrows. I yearn to suffer pain for your sake, to plead for mercy and to get love for you. I suffer much pain for the Holy Church, my beloved daughter. The theological studies which distort the truths of faith which was taught by Jesus and is being officially taught by the Church, and priests who, filled with the worldly spirit, lead a life unbecoming of the disciples of Jesus, and as a consequence of which destruction is caused in the church – Terrible moments of test are in store for the church because wolves in lambskin have entered the church. I had foretold at Fatima – immoral man would establish himself in the church and the disgust and contempt of destructive forces will enter the holy abode of God. Today I continue to weep because the human race does not accept my motherly invitation to the mission of redemption - to bring back my children to Jesus through repentance. They insult and repudiate Jesus. Your heavenly mother is being openly humiliated and ridiculed. Men live disbelieving the signs of my deep sorrow and not lending an ear to my cry. The church lives through great trials. **My Son Jesus has given a new shepherd in Pope John Paul II.** Love him, support him and follow him. The church has yet to suffer. Co-operate with me in my mission and gain strength through prayer. And at the dawn of the new era let there be perseverance in abundance in the faithful.

XVII 29 September 1997 : Message given by Our Lady on the feast of the Archangels.

My children I call on you to entrust all children to the Lord's angels because the time assigned to Satan and his army is brief. The days of their victory are greater in this world. Many are the men who are overpowered by the evil of the diabolic spirit of darkness. But the angels rescue the children from many traps. The angels have a special role to play in this battle between the crowned woman and the red serpent. Under my leadership they wage a terrible war against Satan and his evil spirits. You, my children, who love sin more than anything else in this world, give up your lives filled with despair. **The Archangel Gabriel is with you with the mission to empower you with divine strength. The Angel Gabriel leads you by the Holy Spirit to the path of truth in pure faith, courage and firmness. The mission of St. Michael – is to protect you with great power from dangerous situations into which Satan influences your lives forcing you in precarious conditions and persecute you spiritually and physically to destroy even your life. Recite daily in your homes the deliverance prayer written by Pope Leo XIII to plead for the protection of St. Michael. The mission of St. Raphael, the archangel, is different; children, who live in this deceit-filled world, are very much hurt by several sinful circumstances and this messenger of God approaches you with soothing balms to heal all these spiritual wounds. I have entrusted to him the task of accompanying you along the paths I suggest. He will be with you to lead you along the path of safety.** Live a life of dedication to my Immaculate Heart. I bless you along with the angels of God.

XVIII 7 October 1997 : The Message given by Our Lady on the Feast of the Queen of the Rosary.

My dear daughter, the angels of our Lord help you against the fierce army of sin. But this is the era when you are most in need of this weapon of the Rosary. You should hold fast to this weapon of prayer. But my daughter, do not be weakened because many disbelieve this

mission entrusted to you. This mother, who is the Queen of the Rosary, will be with you throughout your life. I will strengthen those in your home. But situations are many in which you have to experience humiliations. My daughter, when the proud and the conceited ridicule this prayer, in faith do my little children, the poor and those who are going through pain and tribulations, recite this prayer. So my daughter, I remind you one thing. Through this prayer you can save innumerable souls that are in the desert of sin and evil and in the clutches of Satan. Creating a chain reaction of goodness and through powerful action this will bear fruits of goodness. This prayer is tenfold stronger than nuclear power. This is the prayer I love most. Satan will be scared of you when you follow your heavenly mother along the path of this simple prayer. So children recite this prayer with a child-like heart. Satanic pride will be defeated. When he realizes that I bind him not with chains but with the seemingly feeble but powerful Holy Rosary, he will undoubtedly understand that he will be subdued. Children, this is the prayer that the children of this world recite with me. At the time of this prayer, I pray for you. When you invite me for this prayer, I accept the invitation and offer my prayer with yours to God the Father through the Son. Thus it bears fruit, because Jesus cannot say 'No' to this Heavenly Mother's pleading. Children when you meditate over the mysteries of the Rosary, you comprehend the life of Jesus from His Incarnation to His Resurrection and ponder deeper into the mission of Redemption. Thus, you realize the mystery of love shown through this Heavenly Mother. In this way through the Blessed Mother you attain the Holy Light from the Sacred Heart of Jesus – the great wealth of love. In the Rosary by the recitation of the Creed and by the repetition of the Our Father, you are transformed for the complete glory of God. When you say, Glory be to the Father, the Son and the Holy Spirit, you worship the Most Holy Trinity. Uttering the sacred words, and through the prayers, Hail Mary full of Grace, and, Holy Mary, along with this Mother, your life gains courage to act against Satan and finds divine happiness. So, children, instruct all children to use this weapon of the Rosary to put up a fierce struggle against Satan, under my leadership –the woman adorned by the sun. Do not be afraid, God is with us.

XIX 26 October 1997 – The message given by Jesus when the miracle of the Holy Eucharist occurred on the feast of st.Lucian. (The Holy Eucharist turned into red living Flesh and Blood on the tongue of Rani John when she received Holy Communion during the Holy Mass on this day.)

“The humiliations and insults shown by mankind towards me, the Sacrificial Lamb on the Altar, and towards the love of God the Father, have increased very much. It is high time that everyone realized that I come into each child, as the living God with love and sacrifice. My daughter, the word became flesh; flesh became sacrifice. The sacrifice gave new life. This act of redemption which takes place in eternity is being enacted and fulfilled truly in every altar of sacrifice. Is that not what you tasted and experienced, my daughter? This undeniable truth was fulfilled in the presence of the Holy Trinity; the fruit of my Holy Mother's incessant prayer.” This is the Lord's doing; it is marvelous in our eyes. This is the day that the Lord has made; let us rejoice and be glad in it. (Psalm 118: 23-24)

Photo of the Miracle of the Eucharist

So Jesus said to them, "Very truly, I tell you, unless you eat the flesh of the Son of Man and drink his blood, you have no life in you. Those who eat my flesh and drink my blood have eternal life, and I will raise them up on the last day; for my flesh is true food and my blood is true drink. Those who eat my flesh and drink my blood abide in me and I in them. Just as the living Father sent me, and I live because of the Father, so whoever eats me will live because of me. This is the bread that came from heaven, not like that which your ancestors ate, and they died. But the one who eats this bread will live forever. (John 6: 53-59.)

XX 2 November 1997 : Message given by Our Lady on the Anniversary of the reception of the Miraculous Rosary.

Children, I am the Queen of the Holy Rosary. My little children, who commemorate the first Anniversary of my gift of the Rosary - a powerful weapon made in simplicity but steeped in godliness and which is to be revealed to this world - I am very pleased at your great enthusiasm, and your life filled with sacrifice and its consequent sorrowful situations. I rejoice seeing each of your little deeds carried out as a sign of your love for me. I desire to open each of my children's hearts to the holiness of love. My victory becomes complete only when my Immaculate Heart achieves this. Children, you must accept wholeheartedly my call to embrace the cross. It will be achieved easily if you grow each day in accordance with my motherly plan. Let not your minds be laden with sorrow while in the fiery furnace of sufferings. I will provide you with opportunities to comprehend and appreciate truths inaccessible to those masked by darkness. Tirelessly be enthusiastic to enter into glory. Many have been saved by the Rosary. However, those who followed Satan and wavered lost the sublime. My children, stand firm in faith and fight using the holy weapon of the Rosary. Remain steadfast in the army that I lead through the Rosary. Lead a simple life. What does this world offer you other than what is transient? Satan cannot offer you eternity. Come in haste to this holy garden of your heavenly mother who is clad in the sun. Children, be eager and enthusiastic to offer your lives as sacrifice along with Jesus who has become the Sacrificial Lamb for the redemption of the world. The words of men lead them into confusion. The days of great punishment, which the world is facing now, is passing in a horrifying manner. The world has prepared itself to become a valley of tears. Children open the doors of your hearts. Opening them for this mother, live in peace and in the grace of God. Propagate the devotion to the Rosary without losing enthusiasm. Thus you will be strengthened all the more to drive away Satan. Children, along with the uniqueness of this day let me remind you of something. Pray for those brethren who passed away before you, with conscience marked by your faith. Those who were consecrated to my Immaculate Heart experience eternal peace and shine as golden rays of supreme eternal bliss in paradise. However, there are many other children in purgatory who are not able to be united with God. Pray for them. My children live in purity. United in prayer, wait and strive for heaven to be created on earth. Raise your prayers to heaven so that Jesus will hasten his second coming, His grace will fill the whole world and establish a garden of holiness. I, the Mother of all saints and inhabitants of the earth, am very eager to help you. Children, pray with me and work with me. Be careful not to fall into sin in this world filled with impurity and darkness. Lead a new life in the dawn of the new Era. The new life that offers the dewdrops of God's mercy will shower on earth from the heavens. My dear children, be one in heart in power-giving prayer. Then my tears will give way to smiles. On this fine day, inviting you to recite the Rosary along with all the saints and those good souls who have departed from this world, I wish you peace.

XXI 21 November 1997 : Message given by Our Lady on the feast of the Presentation of our Blessed Mother.

My children today is the anniversary of the day when I was dedicated completely to the service of our Lord according to the Divine will of God our Father – I, who offered myself before the radiant beam of the Holy Spirit, was being prepared for a great and sublime mission. This is the day on which the body, comprehending the Holy Scriptures and growing up in the Word, was consecrated in the perpetual sacrificial fires for the service of God. My daughter, I was consecrated for the worship of my Lord. I lived in joy dedicating myself for His service and for His great glory through silence and prayer.

My children, in order to establish firmly the relationship between your Lord and you, do not deny even the most trivial suffering which you get through this mother. My children, how many are the tribulations which my beloved children suffer as though they are a part of Christian persecution! Children who have been ordained priests and are serving in other lands and the religious, are being mercilessly persecuted, tortured and murdered. Satan who works through men makes it impossible for man to open his heart towards their sufferings and cries. My children, never lose the opportunities you get to pray. The bodies of children who live in this world will be purified as if by fire through innumerable trials inside the shrine of my heart. Gradually they will attain semblance to Jesus, your Saviour and my beloved Son– Let your life be an offering of sacrifice and love. Never avoid sufferings. The time of great trials has come. The atmosphere is filled with clouds of smoke. Furnaces of fire arise. Powerful explosives are being made. Moreover, sparks of vengeance give way to flames in human hearts. Can you imagine what the final consequence of all these would be? Pray with this mother for a downpour of the flowery rain of mercy. Children, pray for God's Grace so that the Pope may proceed with courage through the fierce tribulations he faces, and rule the church tirelessly. Let each child gain strength through prayer to safeguard in purity the body which is the temple. Beware lest you fall into the traps and temptations of Satan. Surrender and march ahead in prayer with this mother in order that the love of Jesus which is the refuge of all children, be reflected in you.

XXII 8 December 1997 : Message given by Our Lady on the Feast of the Immaculate Conception.

I am the Immaculate Mother. Since I was destined to be the mother of the Word which became Incarnate in the most immaculate womb, i.e., with the motherhood of God in view, I was born free from original sin, nay, untouched even by the shadow of Original sin and vouchsafed through the special plan of the most Holy Trinity. Have you not read what has been foretold in the Book of Revelation, that this Immaculate Mother, sinless from the moment of conception, clad in the sun, will fight against the red serpent and his followers? That battle has begun. As in a battle in which a mother leads, and her children put up a united fight, you should fight against sin with rosary in hand. Children, sin is your real disease. Lack of awareness of sin is its cause. Children, since I am your Immaculate Mother, Jesus has entrusted me with the task of transforming you continuously in His image. Yes, children, as He was breathing his last on the Cross, my Divine Son entrusted me the task of transforming you. That mission has to be continued by saving you from sin and Satan. For that, each of you has to be victorious along with this mother. You are the greatest joy of my holy heart. Each day I yearn to lead you along the path of perfect love. **Children, the state of enmity, strikes, attacks and disasters, which you see as temporary signs of the power of evil conquering the world, is on the increase day by day.** Do you not know that man is the cause of his own destruction? What value does human life have when this state of affairs is at its peak? Does not atmospheric pollution and human cruelty lead this world to the path of destruction? My

children, even if all these things happen, the final victory will be that of my Son, Jesus, alone. In preparation for this, children, do I today reveal myself all the more to this world through many apparitions and extraordinary visions given in many places.

Children, let me remind you that it is your duty to give at least a drop of water from the ocean of mercy of Christ's love to those children unable to love, and to those wearied children whose tongues are parched by hatred, violence and war. Children who are entrapped by the snares of the followers of Satan and those who fall into lives of sin and impurity are day to day on the increase. The mortal disease, Aids, the threat of bomb attacks, aborted human lives ... Do you realize what all these indicate? My children, I humbly request only for one thing – prepare adequately the hearts of the children of this world to receive the Holy Spirit. This is part of my plan. Pray that, by the mercy of the Father, the Holy Spirit may work abundantly in this world for the second Pentecost. Be enthusiastic to lead a life of love, virtue, sacrifice and fasting. Take care not to deceive yourselves. **Peace will never be established in the world by the coming together or by the mutual understanding of those whom you describe as the angels of the earth. It is high time that the entire human race turned to God through repentance. And if you continue, failing to understand that that is the path to attain true peace, inexplicable disasters will befall you, as all raise a hue and cry for peace and security. Today the world is on the edge of a dangerous well. This is a time of suffering for the church. As disbelief spreads and people follow the worldly spirit, many a time Satan succeeds in misleading even some of those who hold responsible positions within the church.**

Children, through the messages that I give here and the signs of repentance, I desire that the world should rise to redemption. For a brief span of time I was appointed by God the Father to be continuously active in order to reflect my Divine Son's love in each of my children. But rumors, wicked thoughts and deeds and the media are at work through human beings against the love of Jesus. Even today many a child comes only for the fragrance; and the end of that, too, is not far. My children, strive forward to offer your lives to the Lord – lives rooted in the Word, the Holy Eucharist, the Rosary and praise and thanksgiving - and strive to be delivered from the state of sin. This Immaculate Mother will always be with you to shower on you the love of Jesus. Offer me your prayers and sufferings. Let the God of peace rule your hearts.

XXIII 24 December 1997 : Message given by Our Lady on the eve Of Christmas

My beloved children, it is God the Father's will that you should be filled with the unique, luminous grace of love, hope and sanctity, and you have received this anniversary of the sacred birth. My children you must realize that the moments of suffering of the foster-father of the Divine Son and me, before giving birth to the saviour of the world, were to attain complete happiness and that happiness was for your redemption through sacrifice and pain. Do you realize that the rejection meted out to my Son is the reason for the cave of Bethlehem, warmed by the breath of a bull and a donkey, to become the palace of the King of Kings, and a Manger to become the royal cradle? Today you cannot hear the heartbreaking cries of Jesus because of your pride, greed, materialism and frantic chase after the pleasures of the world. When my infant and I come near you pleading for room in your human heart, you drive us out mercilessly. You forget the fact that the duty to accept and bring up your brethren with joy to godliness resides in you. **My children, suffer with this mother in self-confidence and patience. When you accept suffering as part of God's plan, believe firmly that you will**

receive a new life, the golden radiance of hope. Prepare yourselves for His glorious second coming. Children, the sacrifices, the weariness of the journey, the severity of winter, the moments of rejection and humiliation which I experienced with my husband, Joseph, on the way to give birth to the infant Jesus, can befall you in different ways. However, if we got that cave prepared for the king of the world, the divine light of the world, and if we attained heavenly happiness in that stable, then, you too, will gain happiness in life even if the world hates you. My children, never, not even once, yield yourselves to the world. Live in a spirit of sacrifice and intense prayer with this mother. Give room in your hearts for my baby to be born. Listen to his first cry. Listen to the sound of his first mourn, and the sounds of his happiness, love and sacrifice. Prepare yourselves. Give his tender body the warmth of sanctity and not the heat of this world. I lay him down in the cradle of your hearts. Do not reject this babe. This acceptance becomes possible only on detesting the pleasures of the world. Children, let your daily life be well prepared. By the mercy of God the Father, the Infant Jesus and the mother of the Holy Eucharist, filled with grace, bless you.

XXIV 1 January 1998 : Message given by Our Lady on the Feast of the Mother of God.

Pray, my children, that the Lord's wrath in its intensity does not fall on the ungrateful people. All children must pray from the bottom of their hearts as many are likely to be ruined by attacks, destruction, chaos and anarchic governments. India is getting into the horrible clutches of Satan. All children must be prepared to receive the Holy Spirit.

XXV 1 March 1998 : Message given by Our Lady on the feast of St. Albinus

Children, churches will be destroyed, Holy Mass will cease to be offered. The authorities [priests] will be exiled. Prayer is more in need than lamentation. My heart breaks when I see those who have been called to holiness, living in impurity, going after personal glory and thereby losing their state of grace. Spiritual emptiness is the reason for this state. I am pained thinking of them.

XXVI 24 March 1998 : Message given by Jesus on the eve of the feast of the Annunciation

Children, this is the time to prepare and to be prepared. You who were born from nothing, when you return with nothing, do not go leaving nothing for this world. Let your good deeds be examples for your successors. Had you been deaf or dumb, I would not have had to ask you much about settling your accounts! But having been created as perfect individuals why do you walk away from me? You must imitate the life my mother lived from the moment she received the Word of God. Receive the Word and live in a manner that yields fruit. Breaking the walls of worldliness, sanctify yourselves for the Lord and save souls. Your life is the repetition of my life. Pray, repent and do penance.

XXVII 9 May 1998 : Message given by Our Lady on the feast of St. Pachomius.

Children, it is this world which makes my face sorrowful. It is the lives of the children of the world, which wounds my heart. Children – the children of this world are pilgrims who do not know what rest is. As a result, no one listens to me even though I repeatedly ask them to be on constant alert, gird themselves, light the lamps of their lives and wait till death puts them out. Beware not to be attacked by temptations as the death of the soul can take place easier than the death of the body. Of what use is your body if your soul is lost? What is the use of living with a rotten soul laden with sin? What is the use of being frantic when you know that the worms of sin are creeping on the soul which is dying without a tear, without a

murmur and unseen? Don't these children who seek pleasure in drugs and sinful lives reinforce their bond with the devil through suicide? Today the world cannot ridicule or deceive God.

XXVIII 31 May 1998 : Message given by Our Lady on the feast of the Visitation of Our Blessed Mother.

N.B. Our Lady held the right hand of Rani John and made her write this Message.

My little children, I am the bride of the Holy Spirit. This mother continuously strives to gain abundant graces for you from God the Father, the Son and the Holy Spirit of love. The church should be renewed by the Holy fire. The whole world should come into the fullness of truth, the Holy Gospel of Jesus and into the only Church which He desired and established. This is made possible through the Holy Spirit. The whole world must be renewed. The church should prepare herself ardently for the second Pentecost. All her children should prepare themselves. For that, my children, pray along with me, who am the beloved bride of the Holy Spirit and your mother. You must strive to receive the Holy Spirit through the powerful intercession of my Immaculate Heart and let the image of my beloved Son glow fully in you. Children, the time is at hand. It is essential that each one sees himself in the burning fire of heavenly truth and gets ready for the glorious days of purity, love, justice, blessings and peace through transformation. This is the time I yearn to reach the love and mercy of the Lord to the whole world. This crucial age of cleansing and misery is the age of the Holy Spirit. So, in my maternal love, this mother demands of you – be submissive to Jesus, who is the Creator, Saviour and Redeemer of humanity, following the path of sinlessness. My children lead an ideal Christian life. Be keen in prayer, penance and acts of reparation. Lead a life firm in faith.

Love the church and be keen in the observance of the sacraments and prayer. **Even if one's sins are countless as the grains of sand, if he comprehends the value of the Sacrament of Confession and receives it without despairing, how grace-filling will such an experience be ! Satan hates confession and fears it. Because, as he begins to get a soul into his hands, the Holy Spirit, as though snatching it, takes it to the depths of repentance through confession. So, children, make confession and receive Holy Communion very often. Today, the sacrileges committed against the Holy Eucharist are so many! The love and respect towards the Holy Mass has been on the decrease.** The cruelties shown towards the priests and religious who are chosen from among thousands and thousands have been on the increase. The children, who tread the wrong paths and do not preserve the sanctity of their call, pierce my heart and the heart of my infant, Jesus. Children, grow in the devotion to the Rosary. Do not fall into the diabolic strategies of Satan. Offer your prayers and sacrifices for the redemption of souls. May you awake to my voice, the loving bride of the Holy Spirit. The Spirit can never reject His bride's voice calling on Him. So my little children, join this mother in pleading for the gifts of the Holy Spirit and come together as the apostles did and prayed. This is the time when the Holy Spirit is showered abundantly. Fill your hearts with hope. The holy church is passing through the difficult times of Calvary. She has been betrayed and insulted; the sheep divided and the shepherds beaten up. Owing to the loss of faith, the number of those who have given up religion are on the increase. The Holy Spirit will surely come down to cleanse you from all these. Children, pray, pray for the Pope. Each of you be prepared because the second Pentecost is at hand. My Immaculate Heart is a safe haven for you. Neither the temptations of Satan nor the threats of worldly children can conquer you. Proceed courageously in holiness along the path of suffering. This mother will be there for

your help. Prepare for the day when this earth has to be transformed into a new and wonderful paradise, giving life, warmth and hope to the benumbed consciences of the human race. Here is your helper. From Him you will receive soothing cold in the blazing fire, coolness in the scorching heat, light in darkness, consolation in mourning, courage in fear, strength in weakness and solace in tribulations. May Almighty God transform you into new beings through your repentance and fill you with spiritual grace. Wishing that each of you and the whole world be filled with the Spirit through the intercession of the Immaculate Heart of this mother, the bride of the Holy Spirit, I grant you peace in Christ.

XXIX 15 August 1998 : Message given by Our Lady on the Feast of the Assumption

N.B. (On this day milk flowed from the miraculous Rosary given by Our Lady)

My beloved children, turn your eyes to your mother who has assumed into the glories of paradise. Let the voice of this mother, who has been striving tirelessly to instill in you the love of Jesus in its fullness, be not unbearable to you. Children, you who are the different organs of the body of the church, pray ardently, recite the rosary unceasingly and lead a Eucharistic life for the Church, which is wandering, as a pilgrim, in this desert of a world bearing a huge bundle of sufferings, wounded and suppressed. Because this is the time of suffering which has been described in the book of Revelation as the kingdom of hatred and death which has been established by Satan in this world. Hence the world is experiencing spiritual poverty. The media that has taken its roots from the human intellect has become the cause for the spread of impurity. My dear children, let your prayers rise. In pain do I hope; if only the period of trial and the intensity of purification were reduced through sacrifices and prayers for mercy ! My children, the preparations for war and the degeneration of faith in the church are the signs of celebration of the victory of evil . Children, if only you had listened to my voice and to the one who stands for you and for heaven. Here, do I, your mother, prophesy. My children, turn to Jesus, give up sin and the sinful ways. Remove the mask of blindness and impurity, lest destruction befall you. You will have to pass through terrible disasters. You are nearing a stage when salvation can come only if the world experiences a terrible, unseen and unheard of punishment. Pray especially for the pope, all the Bishops, priests and the religious. Satan tries keenly to create more and more contentions among them. He allures them into sins of impurity. He has become very enthusiastic in humiliating and insulting priests, who are devoted to me. He prepares men to rob churches and altars. My children, Satan is very crafty. To attack you, he searches for your weaknesses and acts through them. Today, in different parts of the world, are so many false prophets and people, who infuse evil into human hearts, giving it the appearance of good. And the spiritually impoverished ones believe their principles and grow into children of ignorance. The governments of ever so many countries are prepared to safeguard filthy wickedness and frame laws against truth. When those who speak the truth and act in truth start to be considered culprits, remember that the persecution of Christians has commenced. Because the word of God has to be fulfilled. [Revelation 12: 17-18] When this world - the worldly children fight along with Satan against all the ways of God's plan, God our father will decide to purify this world. Whatever misfortunes may befall, if the world does not raise its eyes towards heaven and if the proclamations made through me, your mother, through whom the last terrible sign was given to you, are also rejected, our Father will not be in a position to shower mercy on you. Children, you are approaching days of enveloping darkness, when man cannot bear to see man. Children, the Church is being persecuted and wounded at the hands of her own children. To deliver you from all these miseries I, your mother, appear in different parts of the world and, through

helpless children, propose many heavenly suggestions and ways of salvation. However, those who live forgetting the Lord and those who are tempted to live thus cannot either accept or understand this. They doubt my children and persecute them. But remember, oh world! To you, who live forgetting Him, the darkness filled days are about to come, through which God will reveal his power and presence. Children, be prepared without waiting for or enquiring about the day or the time. Recite the rosary along with this mother, who is the virgin in the Book of Revelation, to defeat Satan – the black beast. Indulge yourselves in the observance of the sacraments and in a holy life. This world will attain salvation by living the sign of Jesus rather than seeking other signs; Here, I am going to withdraw the sign of fragrance the smallest but which many deemed a great sign given through this home which was chosen by Jesus. Because the ways of attaining salvation for you are through the acceptance of the Word, the obedience to the divine instructions given through me and prayer. My dear children, walk fearlessly with this mother towards our heavenly fatherland in joy and confidence through the path of repentance and penance. Accept happily the blame attributed to you. I welcome you to the depths of my immaculate heart. This mother who is ever willing to lead you through the path of liberation to attain a new earth and new heavens wish you a life with the most Holy Trinity.

XXX 8 December 1998 : Message given by Our Lady on the Feast of the Immaculate Conception.

My beloved children, make your journey towards the centre of the Heart of the Holy Trinity comfortable by receiving light from the Immaculate Heart of your mother who was conceived without sin. Since I am the mother of the entire human race, it is my duty to lead you to the Holy city of purity and love, taking away the dark shadow of sin and evil from the Church and the human race. Purified from human frailties, liberated from the stains of disloyalty and disbelief, the Church should be as beautiful as the Immaculate Heart of your mother which is free from wrinkles and scars. For that my children, you have to help your mother with your saintly lives. How hard man toils hoping to attain transient and futile treasures ! Truth and love are sacrificed in this world which is filled with hypocrisy and deceit. My children, your mother who embodies perfect beauty is the symbol of hope. But my heart is pained seeing you more interested in living in the slavery of Satan, losing the reward of your spiritual beauty. Satan stains your souls with sin and prevents you from attaining the glory of life and achieving oneness with God. **The outbursts of emotion and impurity have transformed men into beasts. The world that is moving from the darkness of ignorance into further darkness is challenging God.** This challenge by man is at a time when the trials owing to miseries and sufferings are on the increase for each of them. The wicked remain firm in the path of evil and sin rejecting the urgent pleas for repentance and awareness of sin. As if benumbed by the unhealthy situations in which they live, the **good are changing into pleasure seekers. The anointed of God have turned into pleasure seekers, enticed by the worldly spirit, which they had forsaken at the time they had accepted their vocation. The time for repentance has passed for those children, who have been enslaved to a wrong way of life and continue to live thus justifying it.** My children lead a pure prayerful life – a life burning with love of God. Seek refuge in the Immaculate Heart of this mother. Receive the Holy Eucharist in a worthy manner. Have deep faith, intense devotion and say the Rosary. Accept the way of the cross and pray that the mercy of the compassionate Jesus be showered on you. Let your cry for mercy fill the face of earth.

Satan is trying hard to harm, depress and humiliate my children who experience the love of Jesus. He is trying to paint in black the revelations and truths given through my beloved child in this house. Now, being desperate, he has become troublesome and is trying to deform everything. He will not only make use of human beings but also the laws of nature, in his fits of wrath, to destroy evidences and to put forward false accusations. But do not be afraid my children. Never desire or wait for the world's acceptance. Here, embrace the path of suffering for the victory of the Immaculate Heart of this mother. My Immaculate Heart is the brightened path which will lead you joyously to Jesus when He comes in his glory. This heart is the secure shelter, which has been prepared for you, to live in peace in your lives filled with pain. My children, in the days of utter darkness and universal chaos raise your eyes to this Immaculate Mother. Now, the hour is at hand. So, children, come with this mother to spread the light that is Jesus throughout the world. Go ahead in prayer. I wish you the peace of Jesus.

XXXI 25 March 1999 : Message given by Our Lady on the Feast of the Annunciation.

My beloved children, the peace of Jesus be with you. I, the poor virgin, chosen by God the Father for the incarnation of God as Man, I, your mother, who, in the mercy of our Father, was crowned as the queen of the whole world, remind you not to let the final warnings given by me, go in vain. My children, the children of this world who echo the battle cries of sin, impurity, false pride and hatred are dragging my Holy Son again to Calvary!

God, through his incarnation as man, has crossed even the limits of experience and come to the visible world to love and save Man. But human cruelty has increased even in the presence of the fullness of mercy. Before the spiritual condition of each child starts deteriorating, in order to rejuvenate you and take away the spirit of sloth from you, He pours out the spirit of His mercy. But today, who is there ready to receive His grace, open up the inner eyes, decorate hearts for Him, and console Him with love? Today the majority of children desire to throw into despair those who grow in spirituality and they take pride in growing in satanic temptations. Polluting purity with impurity and making deceit and hypocrisy their own, men turn themselves into kings who become the pillars of the world and everything to everybody. They do not hesitate to push my beloved Infant and myself into the extreme depths of pain. But my children, Jesus comes near us even in this situation. To liberate you from the prison of worldliness, to protect you under his mantle, to embrace you in His love, do only one thing – surrender to Him all you have without delay. He will accept them like myrrh, gold and frankincense. Observe the heavenly law - 'love'. Make sacramental life, repentance, devotion to the rosary and self sacrifice a part of life. Surrender all to the Immaculate Heart of this mother. I need your prayers and your lives of holiness to save you and to fulfill the redemptive plan of God, our Father. Won't you be ready to save my beloved child from the stifling state He is in, by hating sin without fear and thus reducing the tears of this mother? My children, pay attention to the voice of your mother before the onset of night. The path of salvation is not as wide or as easy as you expect it to be. Come with this mother along the way of the cross accepting the gifts of sufferings for purification. If you do not give up the path that leads to damnation, who can save you when you have to undergo the persecution of the enemy? Come children, the heights of love, the sea of mercy invites you with kindness and mercy announcing that the day is not far off. Repent, do penance, pray and gain salvation. May the peace of the Lord be with you.

XXXII 15 August 1999 : Message given by Our Lady on the Feast of the Assumption.

My beloved children, by implanting the sacred memory of the Assumption in your hearts, I bless you. At this point as darkness envelopes you, I, your mother, have come bearing the light of Jesus. You should not view only the radiance of my glorious body assumed into heaven. You should be aware of the dew drops of divine love that are showered on the arid surfaces of this age. You should understand the path that I have tread for you and you should live as burning lamps for the perfect glory of the Holy Trinity. Glorify God the Father by imitating the Son and by receiving the gifts of the Holy Spirit.

My dear children, the time has come for divine justice to be meted out in accordance with the sins of this generation. You do not know what the Almighty Lord has kept in store for you to redeem and sanctify the human race. **Children, know that the one who desires your salvation is much more powerful than the one who desires your destruction.** Pray for the conversion of the world and for the mercy of God.

You should understand that war, drought, floods, severe winter, pestilence, labour strikes, restriction of movement of goods etc are heralds of famine and are a part of divine intervention, too. Do not say that you are rich. The word 'Famine' is written on you. Famine can be of different kinds. My children, let not the Holy Spirit ever be away from you. Hate sin and turn away from it. **I lament thinking of those who claim to be in Grace but do not live a grace-filled life.** I am pained, remembering those, who ignoring the spirit of forgiveness, preach spiritual matters in an unspiritual state and practise self-deception in their own lives. Above all I cry even now thinking about how divine justice will be meted out on this world, which rushes forward neglecting God's mercy!

My children, a satanic catastrophe has befallen the world deceiving souls. My children I invoke you in a loud voice and in tears – fight and defeat Satan. In union with the sorrows of this mother, get ready to accept the prayer of the Rosary, a sacramental life and a life of forbearance. Shatter your hearts that are stiffened like skeletons by pride, adorned by the vanity of the world, enticed by layers of sin and hence unable to yield to divine plans. This mother will help you. You are duty-bound to illuminate and purify the church. Consecrate your lives along with the blood of those who become martyrs today. The greatest disaster today takes place in human hearts. Do not keep thinking that this is the end of the world. The sufferings that each of you experience will be in proportion to your sins. Since you desire to be involved in good deeds I shall help you. This mother rejoices when I see Jesus being glorified through you. My children, discern the souls and be strong to defeat the powers of darkness. Obey the divine messages I informed you earlier. Lead a life in accordance with the Scriptures. The symbol of my divine presence has been felt by thousands in this home. That experience which many times you were reminded would be taken away, is being given again and again through the mercy of Jesus. Due to that alone my beloved children were misunderstood, insulted and had to suffer much. I am pleased as my children accepted these experiences joyously. But I repeat that this symbol which is rarely given, is only for a short span. This mother desires to see you liberated from the bond of the disgusting smell of impurity and live emitting the fragrance of Jesus, the fragrance of purity.

My children, pray daily, consecrating your motherland to my Immaculate Heart. I desire that each of you be consecrated to my Immaculate Heart. I will help you walk towards Jesus. In whatever way God Our Father has prepared me for my Holy Son to come to you, using my virgin womb as the instrument, in the same way the Immaculate Heart of this mother is made an instrument for His second coming.

This is the time of the Immaculate Heart. My children get ready. God is merciful and just, too. In His justice he will punish those who disregard his mercy. Even as He speaks through me about punishment, what He desires is to save you from punishment. Repent, pray and do penance. The door of Scripture is open for you. Let us altogether humbly approach that door with yearning and be purified drinking from that stream of clear water. I bless you along with Jesus ,who was , who is, who is to come and who is the Lord of the universe, in the name of the Father, and of the Son and of the Holy Spirit.

XXXIII 8 September 1999 : Message given by Our Lady on the Feast of the Nativity of the Virgin Mary.

Children, you who are immersed in the memories of the birthday of your mother, I bless you. Do you not know how a mother picks up her child, kisses it, bathes it patiently and cleanse it, even if its clothes and body are soiled while playing in the mud. In the same way I, your divine mother, rush to your side to bathe and cleanse your souls without hesitation. I appeal to you, children, to be within this mother's fold in freedom. This mother is ready to keep you close to the heart of Jesus. My children pray for that. Be prepared to accept and be elevated into grace every capability that you have received as gift. Because it is impossible to efface cruelty except through Grace. My children pray and be ready. The peace of Jesus be with you.

XXXIV 2 November 1999 : Message given by Our Lady on the Anniversary of the reception of the Miraculous Rosary.

N.B. (On this day Rani John had the miraculous reception of the Holy Communion on her tongue from Jesus for the tenth time.)

My beloved children, on this good day I have come to you with the invocation to consecrate your souls to my immaculate heart, your secure refuge. Children, do not delay - you cannot prolong the duration of the days of being purified. You, who follow and worship idols, which you have enthroned in God's place, have enslaved yourselves with the comforts of life. And the red serpent, my enemy, having now spread the mask of indifference over the world, has tightly fastened you all with the chain of slavery. He, who has filled the minds of my poor children with the illusion that they can live without God, is singing the song of victory. My dear children, remember that he will be confined without delay. Proceed with this mother using the strong chain of the Rosary. The Rosary is my prayer. I have come from heaven to plead for this prayer. My children, the prayer of the Rosary is the symbol of my sure victory. God desires to complete my victory by imprisoning Satan along with all his powers in hell in his own kingdom, which is filled with death, darkness and filth. So, my beloved children, everyone of you who stand at the threshold of the third millennium, pledge yourselves on this special day - that you will work with your heavenly mother to bind Satan, to be liberated from the world of hypocrisy and to live in divine freedom. My children, if Satan is confined by the chain of the Rosary, all his activities will lose their vigour and he would never again attain freedom. So my children, forsake sin, be strong in prayer like a child and surrender yourselves to the plans of the Father drawing divine power from confession and the holy Eucharist.

My children, I cannot make you understand the present state of this world. Your streets are stained with innocent blood. The Hearts of my Divine Son and mine become limp on seeing this. I cannot bear to see the church, the body of the Holy Child, dragged, divided,

mutilated and paralyzed. Unity and peace, are preached. But even those who practice it are ensnared by men. During these times, because so many terrible things are happening in different parts of the world, am I working and making extraordinary appearances.

I have no time to wait for anyone's recognition, authentication and finalization of decisions. Children, just remember. No one can deceive God or convince Him with his arguments. Today, the world has changed into a sign for Man. Hereafter man should lead a good life discretely and in the fullness of the Holy Spirit. Jesus desires to give to the world a sign with human life. So children, accept the way of repentance. Be prepared to listen to and accept the invocations of this mother who has come to save you from the devil's mouth as from a lion's.

The kingdom of God is in your midst. It is enough that you enter into it. Its doors are kept open for you. My children, in this final stage of purification and terrible persecutions, when heaven has become one with the earth, proceed as partakers of the divinely formed army of soldiers. This mother invites you all to be partakers of the joy that flows from the unity of all saints. This mother promises you the strength and courage to overcome temptations. **Take refuge in Jesus, the creator of the whole universe, and grow. No one has closed what He has opened, and no one has opened what He has closed. So my children, proceed in faith with this mother with a life deep-rooted in the Word, to crush the head of hellish serpent, to close the gates of hell forever and to gain divine freedom for you.** Raise your strong cries of pleading and penance before God our Father. Pray that the spring of mercy may flow over the world from the Son's Sacred Heart. Yearn for the renewal of the whole world through the powerful work of the Holy Spirit for God's Glory to be shone. This Mother, the Queen of the Rosary, wishes you heavenly peace.

XXXV 8 December 1999 : Message given by Our Lady on the Feast of the Immaculate Conception.

N.B. (On this day Rani John had the stigmata experience. Our Lady held the right hand of Rani John and made her write this message)

My dear children, this day I spread my holy mantle over the entire earth. But know that your mother – the epitome of beauty - is much grieved since this generation on earth is unable to accept my mantle's beauty, purity and protection. I, who have been free even from the stain of original sin, have tried, through sacrifice and prayer to keep my soul completely in the divine life. When I opened up my mind for the fulfillment of God's word, the spirit of divine knowledge filled me and overflowed, moulding my heart completely, and my body was enveloped by the innocent purity of the immaculate light. Even though you know all these, you still continue to be children of ignorance. My children the time has come for the crucified and resurrected Jesus to be glorified more. It is high time that you, who are the unequalled beloved of my Divine Son, showed Him as the only Saviour to all. The scarcity of witnesses who live and act in Jesus is the reason for the present miseries.

Children, never think that your life in this world is eternal. You have to comprehend the reason for the misery of the world, especially of your land. The world which is full of human beings who have become the slaves of the sins of impurity, stinks much more than the waste pit. The value and glory of human life is lost owing to the arrogant march forward of the bloodthirsty. They do not know what they are doing. The Holy church is tottering due to oppressions of new controversies. The commemoration of the life of my Divine Son, His

Sacred Body and His Precious Blood have all become topics of controversy. The children of the church are being divided and scattered. Satan roars hilariously seeing all these. Why don't you understand these conditions in spite of the fact that all these situations were made clear to you repeatedly. The taste of the chalice which you give to my Divine Son, whom you pledge to love, is as bitter as poison. My son and I are crying partaking of this sorrow. You are not spoken to through parables and puzzles. Two hearts – the Immaculate Heart and the Sacred Heart – which are capable only of love, are talking to you. Listen to me at least now and obey. Without delay you are going to be renewed with fire. In the light of divine justice and in the light and heat of that fire each person on earth will be able to discern internally the condition of his own state. He will act thus because of your goodness so that His children may not be lost and that they attain heavenly joy. So my children, without being scared, accept the way of penance, be filled with good deeds and proceed forth with repentance. Think seriously about the fire kept in store by the Heavenly Father. **My children, what I have** told you through the different apparitions is happening now. I remind you once again – The Holy Church is drying up. It is about to fall like a rotten tree. Altars and churches are being robbed. Satan succeeds in making the priests and religious abandon their consecrated lives. The sins of impurity have increased. The rivers of blood flow faster than ever. The Holy Eucharist is being ridiculed. Those who preach and proclaim Jesus become the laughing stock. In tears this mother asks, - My children, what has happened to this generation? Why are my children fleeing as sheep without a shepherd to deserted and undeserving pastures? Why do you harm the Holy Spirit? No, my Children, never continue in this state of pride. Grow in humility. Take refuge in the sacrament of reconciliation. The Holy Mass and the Rosary are the weapons of salvation left for you. Accept them. Pray intensely. Know that the greatest sinner is eligible for the greatest mercy. My Divine Son rejoices in giving Himself immeasurably to human beings. He was born on earth as man and suffered persecutions only to give you imperishable and eternal life. Never forget this, my children. Raise your prayers, lamentations and tears to heaven. Come my children, let us pray together.

Prayer

Our Father, have mercy on us, outstretch your arms and raise us from our lives devoid of harmony. God, our loving Saviour, protect us by your Precious Blood and save us from the terrible serpent that misleads us and is waiting to devour us. We thirst to view the glory of your ark of the covenant. Make us worthy and fill us with the spirit of God. Amen

XXXVI 23 March 2000 : Message given by Our Lady on the feast of St. Desiderius.

My children, I am the mother of the Word of God incarnated. Do you not know how happy that Father was when I gave my consent and dedicated myself to His plan of action. My childhood was a prolonged and silent period of preparation living in perfect virginity and ignorance of the worldly spirit. That was the reason why your humble mother was chosen by God our Father when the time came for the fulfillment of His will. Yes, children, the Lord of life was enthroned in my womb from the Sacred Heart of our Father to attain human nature. Though you know all these truths, you live like those who are ignorant and hence this mother repeats everything. Children, when you are rejected by the world, humiliated and persecuted, just recall this mother who said "Here is the Lords' handmaid" before the Holy Will of God. Remember the one who was crucified on the cross erected at Calvary, and condemned as a sinner by the world. Children, my Divine Son tells me today – "Mother, I was sent to transform hearts towards truth and eternal redemption. According to the desire of the One who sent

me, I have changed many hearts . Many tortured me, pained me. In order to win these hearts I suffered much ridicule and agonies. Their impact was reduced with my blood. I gave them my life. I gave them to my mother. I fulfilled the Holy Will of my Father. But my mother, your tears do not cease. Getting your children out of the mire, you hold them close to your Immaculate Heart. Pierced by the arrows of sin, your heart is torn. Your face is disfigured by the tears of blood. It has become unbearable to see you in this condition. Mother, are the children of the world assessing the mercy and kindness of my Father?"

My beloved children, to answer these questions , I must get your help. You have to help this mother. Allow this mother to mould your life. **Accept unceasing prayer, keen desire in doing acts of penance, a mature and pure sacramental life and a life guided by the Word. Do away with pride. Grow in humility. You will be delivered from your miseries. I say this seriously – this generation is slow in comprehending signs and not firm in their belief. You are seized by disbelief and it becomes the cause of your ruin. Children, from now on you do not have to seek for signs. Never expect assurance and encouragement from anyone. You, whose hearts are entrenched in worldly wealth, know that this is the time of discernment.** Lead the way to heaven through mutual help. Children, you who cast your mind into dark dungeons due to pride and your hearts which are unwilling to be humbled into the depths of hardness, you strengthen the hands of Satan. Understand that you, too, have to come to judgment. There truth will certainly come out victorious.

My children, pray for the Holy Church, the Pope, all the priests and religious. This mother cannot bear it when she sees many of the things that have been kept aside for the worship of God changed into instruments for the worship of the world. My children, along with your meditation of the indefinable mystery commemorated by the Holy Church this day, be prepared to do what this mother asks of you. Consecrate each one of you and the whole world to the Immaculate Heart of this mother. The Living Word – the second person of the Most Holy Trinity – was being entrusted to me in human nature when he was conceived as man in my virgin womb. Through that plan, the Son expects everything from his mother. Entrusting each human child to me, my Divine Son says : “ Mother, you must provide blood, flesh, breath, food, love – all these, for my child .” I am always ready for that my children. So allow this mother to bring you up according to God’s plan and to prepare you for the realization of whichever great purpose, He wants to use you for. Do not hesitate to consecrate yourself to the Immaculate Heart of this mother, my children. Since the fullness of the love of Jesus is in this Heart, your journey to Jesus will be easier through this consecration. Know that this is the time of fulfillment of the Holy Scriptures. Fight against sin and evil. Be ardent in praying the Rosary. Make the period of the life of penance fruitful. The victory of the merciful love of Jesus will save you. This mother prays with you for that intention.

XXXVII The prayer obtained on 25th March 2000 on the Feast of the Annunciation when the sin of Abortion was offered up in prayer.

Oh! My Infant Jesus, your most blessed mother who, during the very days when you were conceived in her womb, hurried to her aunt knowing that the barren and aged aunt was in the sixth month of pregnancy. In the presence of the baby Jesus, who was only a few days old in the womb of the mother, John the Baptist who was only six months old in Elizabeth’s womb jumped with joy. Let this world know what Elizabeth proclaimed out of divine inspiration that the embryo in Mary’s womb, which was a few days old was Jesus and that Mary was the Mother of God !

O my Jesus, do many mothers run to Herod driven by selfish motives, not knowing that they are really mothers from the very moment of conceiving their children? Will you not enlighten those mothers so that they might know the pain of God, Our Father, as He gazes at their images drawn in his palm even before they were conceived in the wombs? Oh my Jesus ! Who will hear the heart beat of that baby, who should jump for joy with love of Jesus, when the doctor tolls his death bell in the mother's womb? When that mother writhes and closes her eyes with unbearable bitter pain which fills and overflows her womb and veins, oh my Jesus, who weeps seeing the baby's frantic effort, open the mother's eyes to see that. If only that mother, tainted with the blood at some point of time understood the mercy which flowed through the Precious Blood of Jesus as he was writhing on the cross to save her! My Jesus, who comes to seek the lost lamb, to shoulder the crying baby whose heart beats even when it lies wounded and numb, give all the mothers who support this sin, enough repentance to see the vision of you carrying the child. Transform the hospitals that silently witness this sin, into houses that provide love and life.

Grant the doctors, who turn out to be butchers at the slaughter house and who are unaware of the unique moment when life came into existence with the power of the Word "Let there be", the consciousness of their sins through the very power of God's Word. O my Jesus, in this era, when men give importance only to pleasures of the flesh and promote this sin without understanding the value of womanhood, fill them with the model of your foster father. Let the world know that those who underwent abortion will be healed because the souls of their children who, unable to cry or protest and who became preys to their cruelties and lost their right to live on this earth, are praying for them now.

My dearest Mother, as they are consecrated to your Immaculate Heart, we humbly beseech you to prepare them to be spiritual healers who bear the wounded babies in their spiritual wombs. Thus let the whole world be redeemed from the curse of this sin. All the Angels and Saints, pray for us. Amen.

XXXVIII 10 June 2000 : Message given by Our Lady on the Feast of Pentecost.

N.B. Our Blessed Mother held the right hand of Rani John and made her write this message.

My little children, on this fine day I come to you with the appeal that each of you should have an unquenchable thirst for the Holy Spirit. "Come Holy Spirit, come with the powerful intervention of the Immaculate Heart of the Blessed Virgin Mary, your most beloved handmaid." Be filled with the Holy Spirit by reciting this prayer repeatedly. I bring you together in this Immaculate Heart, which is a shrine of prayer. It is the holy will of my Divine Son that you be sheltered in this Heart. This Heart is your refuge of salvation. My children, the chalice of divine justice is full. You are going to face the goriest hours. The earth is covered by immorality. When the rejection of religion, the spread of sin, the victory of the reign of forces of darkness and so on are made possible through men, you should understand that it is Satan's battle cry against the glorious victory of Mercy. So, my children, come back with discernment. The period of my strong warnings is drawing to a close. O human race that is defiled and distanced from God ! Return through the path of repentance and turn to Jesus, your Saviour. Active participation in the Holy Mass, a life, accepting Jesus the Word, devotion to and faith in the Immaculate Heart and unceasing prayer, especially the prayer of the Rosary – let these be the important factors in your life.

My children, never lose courage even when the sharp arrows of humiliation and rejection come to strike you. You are humiliated because you love this Mother. You shed tears because you look towards the light. You are suppressed because you win souls for Jesus along with me. Now is the time you have to rejoice because the Holy Word is being fulfilled through you. So children, this Mother is ready to dedicate your humble lives, the sufferings and bitter experiences you bear silently, making them sweet and worthy of offering to the Father through the Son.

Children, know that it is high time man came to discernment and repentance, since the chances for natural calamities, wars and riots are on the increase. I weep thinking of the children who do not understand the value of surrender. My children, pray; pray for the Holy Church,. Pray to the Holy Spirit who straightens the crooked, heals the wounded and reveals what is hidden. Satan, the enemy of God, is very cunning and merciless. Unite with this mother in the terrible war against him, my children. The fulfillment of His plan of love has been entrusted to your Mother who is the Lord's most humble handmaid. I cannot sit patiently witnessing Satan's success in spreading atheism and eclipsing the light, love and glory of our Father's Word. Children, pray, pray intensely. Do not panic seeing the darkness spread around. This Mother knows that it is part of her enemy's plan. This is the truth you should understand along with this. It is part of my victorious plan - the plan that dethrones darkness and spreads light all around.

My dear children, surrendering yourselves completely, prepare to receive the Holy Spirit in the shrine of my Immaculate Heart. Jesus gives you abundantly the most valuable fruit of his act of redemption (The Holy Spirit), who is the witness of His Individuality and Divine Mission. Come my children, let us pray.

Prayer

O Jesus Christ, our King, who was victorious over death and who is untouched by sin, prepare the whole universe in such a way as to proclaim the glory of God our Father. Filling us with your Holy spirit, reestablish your glorious reign over us. Oh! Spirit of love, come and fill the earth with blessings. Renew the whole Church, lead it through the fullness of purity and be a bright lamp that shines in the complete darkness around. Heal the wounds of selfishness, impurity and injustice so that all human beings, God's beloved creation may live as one family. Save us from the desires of the world and from the clutches of Satan. O Holy Spirit, come in glory through the powerful intercession of the Immaculate Heart of our Blessed Mother who is your most beloved bride. Let this desert like world be filled with the abundance of your grace because of your powerful act of love. O Holy Spirit, bless us, granting us a renewed sky and earth, Amen.

XXXIX 15 August 2000 : Message given by Our Lady on the Feast of the Assumption.

My children, the chalice of mercy is overflowing. Never reject mercy. Let each moment of your life be requests for mercy. Raise your prayers for mercy unceasingly before God – this is what your Mother has to remind you.

XL 8 September 2000 : Message given by Our Lady on the Feast of the Nativity of the Virgin Mary.

My little children, I bless each of you on this day when heaven and earth are filled with joy commemorating the birth of your Heavenly Mother. Children, come near my cradle. I

shall teach you humility and the mystery of spiritual childhood. I understood all these when I became the simple handmaid of the Lord. The Lord can act only through those who are simple and weak. Therefore, be accomplished in spirituality and innocent and total in surrender. When pains and sufferings come in your life I am there beside you. You just have to look into my Immaculate Heart as my Son did, I will take over everything. I shall help to lead you through the path of true freedom, to fulfill sincerely the divine plans and to follow Jesus along the path of grace.

My children, never again recall the pains of past wounds. You must pray intensely. Hate and discard anything that discourages prayer. Understand this, my children – the main reason for bringing down the curse on the world is feticide. The babies, who are killed while in the wombs of their mothers, are my children. Their wails lash like the waves. Pray for this tragic situation. Those who live and grow become wayward errants and stark violators of Divine Law. Satan finds victory in making them misconstrue sin for good deeds. **O wicked world! Remember, you who ignore the Lord's mercy will have to shed tears for justice and mercy.** My children, remain with this mother and understand the signs of the times. Repent and through conversion, turn to God and remain in grace. The human mind has become arid due to hatred and enmity. They bite and tear one another as beasts. No one understands the value of human life. Idol-worshippers, scandal-mongers and false prophets have come to mislead you. Lust for power and worldly pleasures have become the craze for man. I weep seeing all this because the Sacred Will of my Holy Child is being trampled upon. So my children, open the chambers of your hearts to illumine the nocturnal darkness.

If you love and follow Jesus, you will be walking in the path of pure holiness and limitless mercy. My children, the Holy Eucharist, the Word of God and the prayer of the Rosary are the sources of strength in your life. Hold fast to them. Do not get scared, but instead, gather spiritual courage. Look at this mother who is a child. You should become like children. Your child-like quality is my strength. We shall join together to fight and defeat Satan who desires our destruction. **Neither be frantic nor retreat when tribulations increase. Pray for strength to win over tribulations.** Be fervent in prayer. I am always with you to help. Never forget that this Mother is always with you to impart hope, relief, happiness and courage to you, who honour my earthly birth. I pray that you turn into flames of Divine Love and be able to become one with the Lord.

XLI 2 November 2000 : Message given by Our Lady on the Anniversary of the reception of the Miraculous Rosary.

My loving children, I bless you who are meditating on the mysteries of the Holy Rosary which was gifted to you. Children, when I was in agony over the pathetic condition of humanity, your prayers consoled me greatly. On that very account, I give you my assurance. I shall always be with you, to strengthen you and to regain whatever part of the world, Satan, the enemy of God's children, has conquered. Children, the simple prayer, the rosary, will mould you spiritually in humility, peace of heart and simplicity. Children, it is with the spirit of pride and revolt against God that Satan is going ahead victoriously. So I desire that you wipe out completely the pride of Satan through your humility and humble prayers.

Children, if only the human beings understood that the signs and the divine directions given through my beloved child of this family are befitting to be accepted wholeheartedly to honour the true God! I am fully satisfied that many children have attained a prayerful life and salvation through the simple ministry done here. Satan is trying in one way or the other

to harm those who spread the devotion to the Rosary and work for the victory of my Immaculate Heart. Children, remember that you are appointed to defeat the power of the enemy who stands against Jesus Christ. It is not in your individual holiness that the perfection of His choice lies. **So your past sorrows, abuses, accusations, tortures, misunderstandings and your sins, both big and small should not weaken you. Be faithful to the choice and call of God. The forthcoming days will be very painful. You will be looked on with doubt by the world. Here God's Mercy is possible through my beloved child only through inner purification and repentance and not through visible signs. I will shower blessings on all those who come and pray here. Blessings gained through prayers are indescribable.** So, for the same reason, you have to continue to suffer. I used to make you happy with the sweet fragrance of anointing, which provided heavenly bliss. Many accepted this in faith and many in disbelief. Make this experience of the Divine Presence your own. This was granted in a special way either through this house or through my daughter. Not so hereafter. Let my Divine Son and me rejoice in the fragrance of the holy flowers of your lives.

Beloved children, I need people to preach the Word of God and to prepare the children for the second coming of my Divine Son, arms to assist and feet to travel through various paths. Children, you should assist me. During days of terrible sufferings, without losing faith, accept this message to return to Christ, which is worthy of acceptance and propagate it. Children, very craftily does Satan encourage mankind to live a life rejecting divine law disdainfully. Do not reject the ways to reach the presence of God after escaping from the horrible and treacherous attacks of that black beast. Obey the commandments of God and always remain in a state of divine grace through the sacraments especially the sacraments of the Holy Eucharist and confession. Pray ardently the rosary with this mother. Do not reject the mercy of Jesus. Let prayers for the clergy and the religious rise from you, too. Leading mankind very craftily into circumstances of sin, and thus generating in them guilt and despair and making them despise life and turn away from God, Satan is reigning on earth with his huge army. **Sexual sins, like a forceful current of filthy water** and social media turning into an alluring mire of sin is creeping into every family. My poor children become preys to this bad state of affairs. Children! The vehement power of prayer, penance and repentance alone can save the world from the punishment determined by Divine Justice. Because every request to repent is rejected by the stubborn world. My little ones listen to the voice of this mother. This Immaculate Heart, which is the assured way to grow in divine love and to attain the pinnacle of perfection is kept open for you. Pray with me without fear. Surrender yourselves completely. I am always willing to obtain for you many blessings from my Divine Son. Children, May the sorrows and oppositions lead you to the cross. They will take you to the gates of heaven. On this blessed day, I pray that you may be cleansed by the cross which is the centre of the Holy Rosary. Do not lose heart on hearing Satan's wise pieces of advice. Never give up reciting the rosary. **There is no doubt that this prayer, in which the Holy Trinity rejoices and which pleases the inmates of heaven, will make the children of the earth worthy of Eternal bliss.** My children, have faith. Go along with this mother with the strong weapon - the Rosary. I wish that you may be granted divine peace, through a life of prayer and charity, which brings you close to freedom.

XLII 8 December 2000 : Message given by Our Lady on the Feast of the Immaculate Conception.

My beloved children, I invite everyone of you who commemorate the glory of my Immaculate Conception to this Immaculate Heart which is the garden of purity. Today, I,

your mother, who was chosen by the Holy Trinity to be the mother of the Word Incarnate, and who has given her Son, Jesus, for the salvation of mankind, am very sad. Because the arrows of sin of mankind strike the hearts of Jesus and of this mother, who do not know what sin is. However, my children, I look at you with love as one would do with one's own children and with the satisfaction of seeing my own image in you. When you suffer, I suffer, too. When you rejoice, I, too, rejoice. When you do good, I am glad. Because my maternal kindness flows abundantly to all sinners, especially to those who have strayed away from God and to those who are in greater need of God's Mercy. During this time of purification I lead you by hand along the difficult paths.

I helped and taught you to walk as a mother would teach her little children. How many times had I picked you up after every fall? Hadn't I been with you, dressing your wounds and providing you strength in your weakness? Do not think that I am not with you because you do not have the fragrance of my heavenly presence. Let the fragrance of your prayer which supports you and the fragrance of sanctity which sanctifies you be with you. Satan has become successful in spitefully stealing away the invaluable virtue of chastity. He finds happiness in seeing my loving children living with a feeling of guilt. But children, do regain your happiness through the sacrament of confession and be spiritually full by receiving Holy Communion. Never in your life give way to despair following the stealthy ways, moods and tricks of Satan. The questioning attitude, misunderstandings, and a state of rejection, make hurts in you. **Though unknown to others, know that this mother sets the souls of others ablaze with the fresh blood that flows from the wounds of your souls which are more precious than gold.** With hope, ascend the Mount of Calvary without musing over your doubts, even as you are surrounded by people who doubt. The divine plan will be fulfilled through your suffering, humility, simplicity, rejection and silence. I am beside you. I have invited you to a state where even your intimate friends are likely to scorn and reject you. On your accepting this invitation, my enemy will fail in preparing fatal snares to obstruct my army. Children, go ahead with fortitude, strengthened by a life of suffering, the power of the rosary, offering of the Holy Mass and consecration to the Immaculate Heart.

This is the time of great battle. Horror, agitations, mass murders, natural calamities, war, drought, riots and rejection of divine faith - all these are signs of Satan's joy. Children, be better prepared. Live a life of love and virtue because the time for your king, Jesus Christ, to come in the splendour of his glorified body is near. As I was chosen as the mother of his second coming, I try to fulfill the mission of preparing humanity with motherly love. Children, strengthen me. Consecrate yourself to this Immaculate Heart where you can live in peace during this period of suffering. Ascending the Mount of Calvary together, we shall embrace a glorified future through holy suffering. Children, pray specially for the Holy Church and the Pope. **As the administration is beset with controversies, make your prayers more intense. Hereafter there comes a time when I will speak only a little. However, you should not disobey a single thing even if you think it to be trivial.** Amidst the troubles and tribulations of your age, live without fear in the peace of the Holy Spirit. I am with you.

XLIII 9 January 2001: Message given by Our Lady on the feast of St. Adrian while praying surrendering the signs.

Child, this is the time to separate the grain from the chaff. Those who remain faithful are few and those who are saved through it will make their lives an experience. Those who are saved through the signs given during this ministry are many. Those who reject the signs and label them as futile are also not rare. It is high time for mankind, the handiwork of God, to

accept Jesus Christ as the sign. When you feel the fragrance, know that it is owing to God's mercy. **To lead a virtuous life, you have to put up a fierce fight and be victorious.** Then the face of the earth will be filled with fragrance. Let there be an intense desire in you to seek the Grace of God. Through prayer and sacrifice withstand and defeat Satan who has approached the Almighty with complaints. Gather the divine strength to overcome temptations. Let your hearts be filled with the peace of Jesus.

XLIV 25 March 2001 : Message given by Our Lady on the Feast of the Annunciation.

I am the Mother of the Word Incarnate. My children, you, who are filled with the memories of the day on which the Heavenly Father chose this humble mother to conceive the Word that would assume human nature, you know that I am ever willing to help you in your life to fulfill the Holy will of God. Be children who assent to God's Will, not only with your lips but also with your hearts, like this mother. Follow Jesus leaving behind all the impurities which corrupt your soul. Discern the footprints which are not mine. I am sad to see you live without discerning the footprints which lead you to death. With great expectation He created this earth into a beautiful garden and appointed guards. But today, the guards turn pleasure seekers. The flowers wither. On looking around, my Divine Son's Heart fills with sadness. Know how much our hearts ache when we see a desert in ruin with wild animals wandering. Pray for those rare few in grace so that they do not stumble and fall and for the entire human race in order to experience salvation by repenting and doing good instead of evil. Do not say that your life is more unblemished than anyone else's. It is Jesus who should decide. Leave your desires to me. I shall raise you towards Christ; I shall deliver you from the snares of sin and from all that my soul detests and shall lead you to Jesus, the Word. Children, neither disbelieve the experiences that God gives nor fear those who mock you on His account. Live bravely as witnesses of Jesus Christ. Do not lose courage when you are put to tests. The responsibilities which you, especially, have to shoulder, have to be carried out in a brief period of time. Do not leave room in the mind for recognition or praise. Embrace the path of suffering because I tell you, if anyone silences you, the stones will scream. **If, for fear of the world, anyone does not bear witness to the Holy Spirit of truth, the stones will cry out on account of my sorrow.** Children, even though you have committed great sins in your life, you will certainly attain salvation if you repent and seek the love of God. God's compassion for you is limitless. Children, be on your guard against exchanging the cross which is given to you to witness, for filthy knowledge. Know the traitors. In the dealings of those who wear robes of hypocrisy, practice discernment. Pray for the repentance of everyone.

Children, the time for the glorification of Jesus, the truth, through this Immaculate Heart is close at hand. So be prepared. He, with His fire, will burn to ashes the annihilating vulgarity that has taken root among you who are His abode. This is a time of terrible test. Falsehood tortures truth. My enemy attacks and conquers many of my forts. You who reject the Holy Spirit and go about pretending to be devotees, repent! An unprecedented period of tremendous disaster will come. The very foundation of the earth is reverberating. Repent, my children. Just look at my Divine Son, barefooted, with a body soaked in blood, his lips parched, being deprived of your spiritual love and yet with a heart burning with love for you; you will be saved. Children, pray for the Holy Church. Pray intensely for the priests and the religious. Children, I pray that you may be able to realize and accept the mystery of Divine Love which becomes perfect in mankind as in the Incarnation. Children, hasten to the refuge of this Immaculate Heart. In full alert, together shall we move prayerfully along the path of the cross. I wish you peace in Jesus Christ.

XLV 15 August 2001 : Message given by Our Lady on the Feast of the Assumption.

My children! I open the golden doors of my Immaculate Heart and welcome you into it and offer you to the most Holy Trinity on the day of the commemoration of the feast of the Assumption of this mother, who, in the mercy of the Heavenly Father, was made worthy to give birth to His only Son on earth.

Children, this is the era you should grow in discernment. God's love gets dried in human hearts that are shriveled by selfishness. Satan, who boasts that he has succeeded in bringing a large part of the world under his flag and keeps trying for it, distances humanity from the Divine plan. Children, I remind you, days of terrible torture, different from what the world has seen and unimaginable to man are approaching. Take care not to be deceived by yourselves. Retain the Grace to pray, to fight against sin, and to do penance and take care not to lose it. Offer acts of penance as the response of your life.

Children, understand the conditions of the present world that you see, hear and experience by yourselves. Many things, that I have repeatedly told you but has been ignored by man, happen. Through inner purification and repentance and believing in the true God, again I want you to lead a humble life. Divine truth, which is absolute and immutable will remain eternally. Consecrate the entire world to the Sacred Heart of Jesus which has turned into a furnace, burning with intense love for man. Children, come with repentance to this mother who bears the furnace of the Sacred Heart. Pray the Holy Rosary with confidence and love. Make frequent Confession, receive the Holy Eucharistic Lord. Renounce sin and its circumstances. Be submissive to the Holy Church. Pray for the Pope. Pray for my beloved priests and religious who have been specially chosen as the lambs for sacred sacrifice. Pray ardently because Satan is more interested in alluring the religious into his pleasures.

Children, accept every exhortation of this mother seriously. I am with you. I shall help you, to find solace on the sacred face of my Divine Son. In every moment of your life, be with this mother in purity, humility, faith and prayer, giving no consideration to anything even humiliations from those whom you considered your own. The Word which is the gate that allows you entry into the light of eternity, is kept open for you through the Immaculate Heart of your Mother. Be filled with the Holy Spirit. Prepare for the second Pentecost. I pray that every evil and sin be wiped out by His Divine Mercy so that the glory of God may be sung and exalted. Let God's peace reign over your hearts.

XLVI 8 September 2001 : Message given by Our Lady on the Feast of the Nativity of Mary. The important points of the message received this day.

1. Jesus and His Blessed Mother grieve over the signs of the cross that are being distorted. Every human being living in the world has been redeemed and sanctified by the Sacrifice offered by Jesus Christ on the cross at Calvary. Accepting the path of the cross, sacrificing his life and sealing everyone with the sign of the Holy Cross, Jesus entrusted them to the Immaculate Heart of His Mother to give new life and protection. Every man who has been entrusted thus is a sign of the cross of Jesus Christ. Jesus, who redeemed humanity through his death on the cross, is pained when man, glorified by the sign of the cross, destroys the life of sacrifice by not accepting suffering and by leading a sinful life.
2. Jesus and His Blessed Mother are pained at seeing consecrated lives disintegrate like pieces of handicraft.

3. The Holy Eucharist which is becoming an object of exhibition in public.(Insults on the Holy Eucharist)
- Adore and Glorify the Triune God with the heavenly creatures.
 - Adore and Glorify God with those children who have consecrated themselves completely to God.
 - Adore and glorify God with those children who lead a family life.

XLVII 2 November 2001 : Message given by Our Lady on the Anniversary of the reception of the Miraculous Rosary.

My beloved children, accepting your prayers and suffering which is the cause of great joy in heaven, I too, rejoice with you on this fine day. Children, the weapon of the Rosary, that has the strength to defeat the powers of darkness, is the unbreakable guarantee of eternal salvation. This is the time when the prayer of the Rosary, that is capable of destroying the power of evil by annihilating schisms and languishing sin, is most needed. Because no human race before has had so much unprecedented destruction, danger, evil and threats of war. Pray, receiving strength from the Holy Mass and saying the Rosary continuously so that there is divine peace in the world. It is high time that the world was made aware of the great mystery and power of the Holy Mass. **Run and take refuge in the presence of the Lord of the Holy Eucharist, I am always there. Propagate the devotion to the Rosary. Whatever the devotees of the Rosary ask shall be granted. The root of all the evils in the world is the ignorance of man who wants to attain all worldly pleasures in its perfection. Man is not willing to act according to the will of God who is perfect. There is only one way to avoid this - repent. Repentance is necessary both for the sinner and the saint. This may begin in a moment; however, it can be completed only with a lifetime. Children, do not consider who are with you and who are against you. Live in peace amidst contempt and insult. Learn to suffer in silence; the help of my Son is always with you. The message of the cross should be your happiness. Your salvation is in the cross. The fulfillment of heavenly bliss is in the cross. Dear children, the cross awaits you everywhere. Embrace it with the whole heart, or else its burden will increase.**

Children, do not be afraid when you have to face difficulties and confront situations on account of those whom I had chosen but are not ready to respond to the Divine plans as they were deceived by Satan. Trust in God. This mother is with you. Children, there will be many more religious persecutions. There will come a stage when peace will be found nowhere. During this span of time, people will attend sermons that betray the sacred scriptures and live accordingly. The flood of false prophets has caused vagueness and confusion among the majority of my trusted children. Remember, children, that those who seek solutions keeping God apart, are searching for water in a mirage. There is no truth or way apart from Jesus because he lives forever. He has the keys of death and hell. Children, know, experience and love Jesus. Believe, repent and do penance; save yourself from the tortures of sin. I shall help you. The torture of sin will lead you into eternal damnation. Know that this is the time of salvation.

Your original enemy, the opponent of all good, is unceasingly testing and trying tirelessly to destroy my work here by ensnaring those who are not vigilant. Children, be one with the precepts of Jesus, live a life of prayer and sacrifice. Prepare to lead a life of peace and holiness, to accept the insults regarding the fragrant anointing about which I had told you several

times and which I now confirm. **Though that can be attained by many on several occasions and in many ways as anointing, the sign which I had been giving through this family, especially through my beloved child will not be given any more in such a way as can be experienced by others. Children, as a sign of the fragrance, join this mother to lead into repentance the human hearts in which the greatest tragedy takes place.** Together shall we pray, standing in the presence of God the Father and receiving graces on this earth. Let me, with much pain, remind you one thing even as I painfully see the spiritual ruin of my beloved children. I am very much distressed to see you disregard many of my messages and disobey them. However much you hurt me, I can only love you. Children, if I have to say anything more to you, it is that you should obey whatever I have told you earlier. That is my Son's and my hearts' desire. So obey the Word of God. Be fervent in the participation of the Holy Mass, in the devotion to the Rosary, in fasting and in making confession. Reflect on my messages and live accordingly. Renouncing sin, live in obedience and humility and embrace the path of Faith and Truth. I will not talk to you any more in this manner. Everything is ingrained in my Immaculate Heart. Children, this Heart is your own. Do not reject what is yours. Promising you the peace of leading you into the shade of the Heart of Jesus, I accept the greetings of this good day from Jesus and give it to you. Amen.

The description of the picture revealed by Our Blessed Mother and the message given on 2 November 2001 on the Anniversary of the reception of the Rosary.

About the picture

A large globe represents the earth. Three quarters of this globe is encircled by a serpent which has its mouth wide open to devour the remaining quarter. The atmosphere is filled with fire, wind, smoke, dust and terrifying sounds. Nowhere is there peace....

Then there comes the Holy Mother of God, the Queen of the whole world, with the blessings of God the Father and with the help of the Holy Spirit, to save the world with two divine weapons. The angels play heavenly melodies on the harp and the lute. Our Blessed Mother, the synonym of humility, with a calm and serene face expressing grandeur and seriousness simultaneously, looks at Satan with revulsion and hate, and tramples over its head and crushes it. To make this possible for her children, our Blessed Mother advises thus:

My children, the head of the serpent can be crushed only by the power of the Holy Eucharist that fills the tabernacle of my Immaculate Heart (the first weapon) and by the recitation of the Holy Rosary which is ten times more powerful than the atom bomb (the second weapon). Children, run and take refuge in the divine tabernacle and spend a holy hour in adoration. Participate and offer the Holy Sacrifice of the Mass with complete repentance, love, devotion and reverence. Be eager

**Photo of the Picture of
Our Lady of Kanchikode**

to offer a drop of your love into the the heart of the Eucharistic Lord, from which emanates miraculous strength and courage. That will make reparation for many sins. From the moment He was in my Immaculate womb and all through His life even to the time after the resurrection when he was seen in all glory and, now unceasingly, I adore Him. Cultivate a deep, close, personal love and devotion to the Sacred Heart of Jesus and to the divine gift of the Holy Eucharist and permit this Mother to turn the wheel of your life around the divine tabernacle of the Immaculate Heart. Recite the Rosary with fervour and devotion. It is certain that the head of Satan will be crushed. Children, I, the mother of the Holy Eucharist give you full assurance. It is time for my Immaculate Heart to triumph. We shall fight together by uniting ourselves with the Eucharistic Lord and offering the sacrifice of the Mass and by reciting the Holy rosary to dispel the dark clouds and to transform family life, society and even the world order. It will then be possible for those faithful children to enter into the experience of an entirely new and peaceful earthly paradise. Therefore listen and obey this Mother of the Eucharist, who is always present near the divine tabernacle and Altar.

I will bless the individuals who willingly propagate this message and picture. I will bless every endeavor of theirs. I will obtain countless blessings for them from Jesus. Wherever this picture is honoured and those who accept this message whole heartedly will be blessed.

My dear children, together with the Eucharistic Lord who was offered as a victim at the Altar, this Mother too blesses you. In order to bring about a new earth and a new heaven, forge ahead in prayer and holiness and become the tabernacles of mercy and love.

XLVIII 8 December 2001 : Message given by Our Lady on the Feast of the Immaculate Conception.

Dear children, do you not recall with reverence the love of God the Father which, seeing the entire mankind experience the pain of sin, death and failure, became willing to give his own Son as ransom and chose me, your Immaculate mother, as the way? Jesus, the redeemer came to this earth with my maternal cooperation. He fulfilled the will of the Father by leading the children through healing, love and peace and giving himself as ransom for humanity through his passion, crucifixion and death. But children, today love is not reciprocated. The crucified Jesus is held in scorn by the sons of the world. You find happiness in the wealth of the worldly spirit. Children, do not live challenging your creator.

My motherly heart is weakened by the burden of your sins. When my Son is rejected by you, you hurt me, too. I tell you with a sigh. Children, my Divine Son's and my wealth is the souls of those children who lead a life of purity and divine fervour in this world. But our wealth is decreasing. Satan, our enemy, celebrating his victory, has even become bold enough to laugh at us. Because, the wealth of Satan has increased.

My children, you who increase the wealth of Satan by revelling in the pleasures of sin and turning a deaf ear to God's voice which calls humanity to the perfection of His Redemption, come back. Do not try to fathom the depth of the Sacred Heart of my Divine Son with your life which is just like a blade of grass. Open the doors of your hearts. Reflect on the terrible verdict of punishment that is about to take place. Accept the attempt of this mother to make your salvation possible. Obey whatever this immaculate heart has told you till this day. Pray very much. Renounce sin with their circumstances and love suffering. Partake of the Eucharistic sacrifice more frequently as reparation. Transform yourselves into the sacrificial objects of

the Lord. My Divine Son will come again in the clouds to renew everything and to reestablish his glorious reign. Realizing the signs of the age, live with me in peace and self-confidence. May the peace of God rule over your hearts.

XLIX 1 January 2002 : Message given by Our Blessed Mother on the Feast of the Mother of God.

My little children, who are experiencing the third millennium, I request you once again, on the dawn of this New Year, to cooperate with this mother to offer the responsible execution of the duties of divine motherhood in the most perfect way. Greater attention needs to be given to ensure eternal salvation by glorifying abundantly the most Holy Trinity within the limit of the time assigned to you. I have repeatedly asked you to be vigilant. But the majority of the human race has distanced themselves from Jesus and this mother. They have established their own atheistic and materialistic culture, presenting their new values, satiating their worldly desires and recognizing moral anarchy. Their enthusiasm to indulge in worldly contentment through pride, lack of faith, greed, sexual frenzy, deceit, vengeance, murder, robbery and theft instigated by hard heartedness instead of faith, love and hope pains my Son and me a lot.

Dear children, the messages which I give through this child are about to come to an end. It was with great expectation that my Divine Son entrusted me the task of addressing the world through this child, who was chosen from this small village of Kerala. I am not speaking for **Kerala alone** but for the whole world. I am not waiting for the speculations, decisions and recognitions which are limited by human intelligence. Children, repent! Days of blood shed for the Holy Church and days of purification for the world are at hand. My Divine Son saved mankind with immense love. But today, men forget the Saviour. And their innate loving nature goes after sexual and physical satiation. I am pained to see even those in responsible positions prepared to make the vices, which come in the guise of virtues, victorious. The blind control and lead the others. The church authorities, who allow themselves to be deceived, and the hapless condition of the lay people, pain my heart. When God desires to show through the church the way of salvation to all, the very same people, who are in the church go astray. **The new strategies, introduced by Satan in the name of co-existence, are to torture the Church covertly through those who influence the powers of darkness. I am pained to think of my beloved children, who, outwardly respect the church and fearing the world and without discerning the truth, attack the church. I am also pained by those, who do not hear and let others hear the cries of Mother, the Church, and by those who partake in a new method to destroy her without shedding blood and by those who crush the ones who resist. This is the era when the prophecy about Babylon, once a Great City, is going to be fulfilled- So, Children, repent.** The church, which was split many times over the long journey across centuries owing to many controversies, has again come to internal unity. However, today Satan is victorious in eclipsing the radiance of the Holy Unity of the church by his black smoke. Truth is being betrayed. My Son's Gospel is divided and it leads to internal dissensions. Those who defend the truth are belittled. These dissensions pave the way for priests to turn against priests and Bishops against Bishops. Satan unprecedentedly succeeds in destroying the bond of their mutual love. **The opposition to holy celibacy, which is the core of dedicated priestly life, and which is desired by Jesus and lived and confirmed by Him, and which has been established by the church, thrusts my Divine Son into deep agony. Children, you who feel bored and experience an aversion to prayer life owing to your over-indulgent activities, turn to Jesus.** Your lack of discipline and indulgence in worldly pleasures will

surely lead you to terrible destruction. Falsehood is propagated in a dangerous manner under the guise that truth is not completely rejected. Modern studies and activities which reject the truth, which is beyond human intelligence, will lead the human race into confusion. Children, discern! Recognize the signs of the time. Before the second coming of my Son, the world will witness great hardships and purification which will renew the world. Remember the warnings you have received. These days of purification will be the time of suffering not only for the Holy Church but also for you. The evil spirits, who serve Satan, and the enemies of Christ will declare in public their antagonism to God in an unprecedented way. They will show many signs and miracles. And children, if you speak the truth, you will be considered guilty. Laws that go against truth will be framed and put into effect by the legislatures of nations. **Thus the persecution of Christians will begin.** Reports of war, which turn many into scapegoats, will increase. Internal conflicts will be on the rise. Bloody wars will defeat all efforts at establishing peace. Severe famine will devour the world. The Earth, which bears the burden of sin, will react with tremors, nature with storms and the sun, moon and stars with meaningful signs. **A part of the earth will burn to ashes as it rubs against a huge globe of fire. A great event which will shake up the whole world is about to happen. Those who obey God's commandments, those who recognize the kingdom of Christ and the repentant who pray will survive these disasters and will be saved.** Children, do not be afraid because I am here to help you. When the power of Satan creates terror and disharmony, God of peace will help you to destroy him. Children, awake, be keen in the observance of prayer, penance and expiation.

Do not be grieved at the signs I have given you of the terrible tortures which will take place and which you will have to suffer before my Immaculate Heart will have achieved success and a new era has commenced. I will accept you all in my pierced heart, and entrust you to my Son. In the days to come, **carefully observe whatever new revelations and exhortations you will be receiving through the Holy Church and the Pope - the loving vessel of my Immaculate Heart.** May the authentic teaching which Jesus Christ, who is the Way, the Truth, the Life and the Light of the world, demanded of the human race through the sacrifice at Calvary and which is about receiving the Sacred Body and Blood which was sacrificed for man, enlighten you. O world, that hides the light that ought to illumine ! Remember that when the Mysteries of Light – the aspiration of the Immaculate Heart – are unveiled, you will not be able to conceal the light. The fullness of salvation is possible only through Jesus. That salvation will flow into the world and into the human hearts through the Holy Mass. So children, make the mystery of the Living Word your own through the prayer of the Rosary. Along with the recital of the Rosary, partake of the Eucharistic sacrifice as reparation for sins. Even if you take the full value of all the good deeds of this world, it cannot surpass that of one Holy Mass. Through that great Sacrament by which the whole of heaven descends on earth – through that great Sacrifice of reparation you and the whole world will be sanctified. Horrible disasters will abate and the severity of purification will be reduced. So, come, forgive, love, repent and confess, and thus we shall be united in the sacrifice of Calvary. I, the mother of the Holy Eucharist, shall help you. Let the Crucified and Resurrected One, be always in you and with you. Amen.

L 25 March 2002 : Message given by Our Blessed Mother on the Feast of the Annunciation.

My little children, as my Divine Son has designated me as the prophetess of the final hour, in order to prepare you for His second coming, let me remind you that it is with your

cooperation that I will complete that mission. With love must you accept the teachings of love. I repeat once again the same thing which I had told you before. This is the hour of Divine Justice. The chalice of Divine Justice and Mercy is overflowing. Children, repent, and come to discernment. Thirst for divine knowledge. **Your precious life is not one that should end in the momentary pleasures that the world gives. It is the price that Jesus has paid with his blood and it is a call to eternal life.** Just recall the moments in my life – from God's messenger Gabriel's announcement that the Saviour of the entire human race is to be born of me, to the moment of spiritual motherhood which I gained at the foot of the Cross as a result of my participation in the act of redemption. I am speaking to you taking into my heart even today the wailing of my Divine Son who entrusted me to cradle you in my pierced Immaculate Heart. Children, love the Holy Trinity indefatigably. Try to understand the agony of my Son who dwells alone in the churches. **I am sad thinking of those children who disregard the miracles which reveal the presence of Jesus in the Holy Eucharist, and those who abandon and harm Jesus without perceiving and discerning the true divine presence. The true Word of God is abused, afflicted and wounded through rational interpretations. I see the world going along the path of sin and evil, propagating filthy deeds, selfishness, hatred and impurity. All these are peculiar to this world. Children, at this time I want to tell you some things of great importance. The world is getting ready to entrust its rule to the antichrist. The antichrist will come, when the world denies Christ and his teachings, great apostasy happens and the power of the Holy Church is denied. When the world is steeped in impurity through widespread controversies in the church, apostasy, lack of devotion, blasphemy and when arts, literature, politics, life of religions, human thoughts, education, compulsory idol worship reach their peak, the wicked antichrist will come disguised as the messiah. He is the embodiment of evil. At the end of the era, he will be leading the satanic army in the battle between Jesus and the devils. His aim is to destroy. The wicked will trample those who worship the true God. The darkness of Satan will spread over the world. The number of the sons of destruction will increase and that of the sons of justice will decrease. I tell you again, children, come to discernment, come to Jesus. If Jesus Christ was born of the most glorious and purest state of womanhood, the antichrist will take his origin from the worst state of womanhood and will work great miracles. This is the time when you should be the most conscious about his deeds about which the Holy Spirit has spoken to you through the Holy Word.**

Meditate on these verses – Mathew 24:4,5-14,15, 2 Timothy 2: 3, 2 Thessalonians 2:4-9, Daniel 12:9,12, 2 Peter 2:1-3 and be prepared with spiritual strength. When immorality increases, love will be frozen in many. The antichrist will try to abolish the Holy Mass which is offered continuously and will send priests into exile by which, for a short period, he will succeed in his reign. Knowing that he has a short time left he will subjugate man in frenzy.

My children, do not fear. Let the word 'He who is inside you is mightier than the one who is outside', give you courage. You and your children live in Christ and for Christ, guided by the Holy Spirit. Pray incessantly for the Holy Church, the Pope, my poor priest sons and the religious. The religious are with me in the forefront of the army to fight against Satan. Pray to win the battle fighting, wearing the armour of purity, helmet of faith and the sword of Hope. Pray incessantly. The Holy Mass is the most excellent prayer and sacrifice. Partake of the Eucharistic sacrifice as reparation. Be fervent in praying the Rosary. Accept the pains and sufferings from God with love. Suffering is the nectar of divine grace. Children, through sorrows, misunderstandings and alienations you will get many opportunities to be acquainted with and to walk the way of the Cross. Without wasting them, offer them as they make you

worthy of gaining the gift of eternal life. Spiritual martyrdom is very precious before God. At such a time when financial difficulties and despair are on the increase, place your trust in Jesus Christ who is able to provide you the light of hope.

When I, your Immaculate Mother, stamp on the head of the hellish serpent, the doors of hell will be shut. Children, stay awake and pray with the angels. Pray for the arrival of the second Pentecost. Lead a pure and prayerful life with love and confidence. Join with me in prayer and sacrifice to annihilate the black mass from this world. Pray for real peace which the human race ought to receive through internal purification and anointing with the Blood. You will certainly receive a new heaven and a new earth where there will be good days of joy and peace. I wish the message of the picture of the heavenly mysteries, which was revealed through my beloved child, be spread over the world. Do not be subject to condemnation by shutting the doors of your hearts against the painful voice of your mother. Advance in love, seeing Christ in the poor and the downtrodden. I am always with you to help. Amen.

LI The Last Message Given by our Blessed Mother on 22 August 2002 on the Feast of Our Lady, Queen and Mother.

N.B. (On this day Rani John had the stigmata experience and the Miraculous reception of the Holy Communion on her tongue from Jesus. After these experiences Our Lady gave her the following message.)

My little children, I join in your happiness in the commemoration of my coronation as Queen Mother. As the King of love and Mercy took his origin in the Immaculate Heart of this mother, I ardently wish to receive each one of you in my heart. I have led you through many signs and warnings. I remind you not to let them go futile. This is the last message that I have made my little child write. Though you will be led by spiritual inspirations, the time for my direct narration of experiences is drawing to a close. Little children, the answer for your life in the world is rooted in the Sacred Scriptures (Bible). The Gospel should be the machine that controls your life. It is the compendium that is filled with life and salvation; love is its language, there is nothing that is not written in it. Be prepared to receive the Word of life without being led to wicked ways and hypocrisy. Children, when you begin to realize that everything in this world is valueless, it will be possible for you to aim at God. He who is capable of doing this is the genuine Christian. Children, die for yourselves at the foot of the cross and be born again for Jesus. Pray to the end of your lives for the priests who are chosen by my Son to shower blessings from the riches of heaven, and for my dear daughters who dedicate themselves through religious life. I am the mother of adoration and penance. Children, the Holy Mass is the greatest miracle and boon given to you. Every sacrifice is received as the sacrifice for the expiation of sin of the whole world and those who receive are filled with my Divine Son as ransom. My Divine Son will bless the family and the country of each person who proclaims his faith in the Eucharist. Children, you need the Eucharist. Priests are needed to celebrate in purity the mystery of the Holy Eucharist. The time of religious persecution is at hand. I am relieved, thinking of my priestly sons who, in priestly sanctity, endure in silence and offer their lives as a sacrifice. But I am distressed at those who, adorned with embellishments of impurity, with vengeance and the judgment of divine justice overhanging them, are leading men into wrong teachings. I cry with a broken heart as I see, in a world full of betrayal, those who become victims of physical pleasures, take the body and blood of my Son in their hands with the same attitude as they would pull and tear wildly the flesh of wild animals. Children, do not allow Satan to win. The hellish Serpent, which imprisons the dedication of sanctity will perish without much delay.

Children, be earnest in the devotion to the Rosary and in partaking of the Eucharistic Sacrifice as reparation. Satan claims to be winning in moulding a society that kills the Divine Word by putting forward philosophical thoughts, human sciences and losing the spirit of the Gospel. The Holy Church is being destroyed by her own servants. The Church is creeping along the imperfect path though it appears to be perfect externally. Pray for the Pope. Be inspired by the teachings of the Luminous Pope who leads the Church with courage, sacrifice and docility.

Children, my Immaculate Heart is filled with great sorrow and pain. Apostasy will haunt you more than at any other time. The Bible will turn out to be an object which will be used only on compulsion. Millions of people will die of severe famine, extreme winter, unbearable heat and drought. Deterioration of man, who is the temple of God, will inspire him to destroy the churches. Disintegration of marital relationships, suicide and infanticide will increase. Quarrels among the ruling parties, preparations for war will destroy man's peace of life. The power of the church will weaken as differences of opinion among the spiritual leaders and controversies regarding faith increases. Media will destroy the soul rather than the body. Thirst for sex will destroy the humanness in man. Discarding God and His laws will become a common style of life. Spiritual servants who blame each other will increase in number. Men will suffer from incurable diseases. The cruel face of man will be unveiled through bomb explosions, preparation for war, murder and robbery. Financial loss and the fall of price of consumer goods will affect families and nations. The earth which bears the burden of man's sin will be infuriated. Satan will make his influence felt through the universe. The vulgar deeds of European countries will invite the wrath of God. Children, I see all these. Turn back, children, turn back. Avoid the happiness that is obtained from the temptations. Hate sin and flee from it. Behold the radiance of my wounded Son's countenance in those who are around you. Run away from drugs and liquor which cause you to lose your consciousness that God endowed you with. Even though you are in the midst of great distress and despair, call on God and pray to him. Offer everything to my Immaculate Heart so that you may be filled with the redeeming power of the Omnipotent. Man who measures the mercy of God has to face the days of purification. Children, forge ahead with me during these times of great misery and cleansing. Children, this is the era of the completion of revelation. It is also the time of fulfillment of the third prophecy of Fatima. Do penance for the sins of those children who are trampled under the feet of my enemy. Man is experiencing the severity of misery to its fullness. You will never be free from these without the intervention of God's Mercy. I love both, those who accept my messages and those who reject them. Pray for the whole world. You will have to move forward and achieve success through indefinable sorrow and pains. I need your co-operation to remove the parasites from the vine. Being happy at the suffering of these little children, I bless everyone in this house and those who have led everyone onto the path of purification. By the mercy that flows from the Heart that was broken at the pinnacle of suffering, the prayer of these children that can fill the universe becomes of immense value in heaven. You should accept the divine revelations of the ministry led by the maternal love and by the mercy of my Divine Son which has come in the fullness of time through signs, through experiences, as anointing through fullness of fragrance and through messages. Love and accept the Divine Mysteries which surpass human calculations and plans. It will lead to many questions, doubts and arguments. Children do not be afraid. Be a light in the darkness. Pray always. **Even if they are few in number, the fragrance of those flowers of suffering will be the cause of the conversion of many sinners. Pray with humility so that we may be saved from evil. Humility is the foundation stone of perfection. You should desire to be humbled**

and should bless those who make you humble. This is essential to build the heavenly thrones. By conquering temptations and accepting fearlessly the sufferings that come seeking you, be heirs to the crown which has been studded with diamonds of sufferings. Be fervent in the devotion to the Rosary, in receiving the Holy Eucharist, reading the Word of God and in fasting. When the star of hell tries to destroy the seal of my stars, children, do not rest steeped in darkness. O youth ! you who have imbibed wrong values, and run faster than horses, be in your right senses. Pained at heart I say with tears, my children, live in purity, convert yourselves and return to Jesus. Permit this mother to plant the cross of Jesus in your hearts with the help of the Holy Spirit.

Dear Children, I remind you once again. This mother is always here with the salvation of Jesus, with you who are on the verge of dangers and with those who come to pray here and also with the prayers that are offered here. May Jesus, the Sun of Light be with you always, reflecting the rays of his salvation and mercy. Amen.
